RE: Request to transfer .31 acres Locust Grove Rd. to the county
Your file number LGL00028

Dear Mr. Burrell,

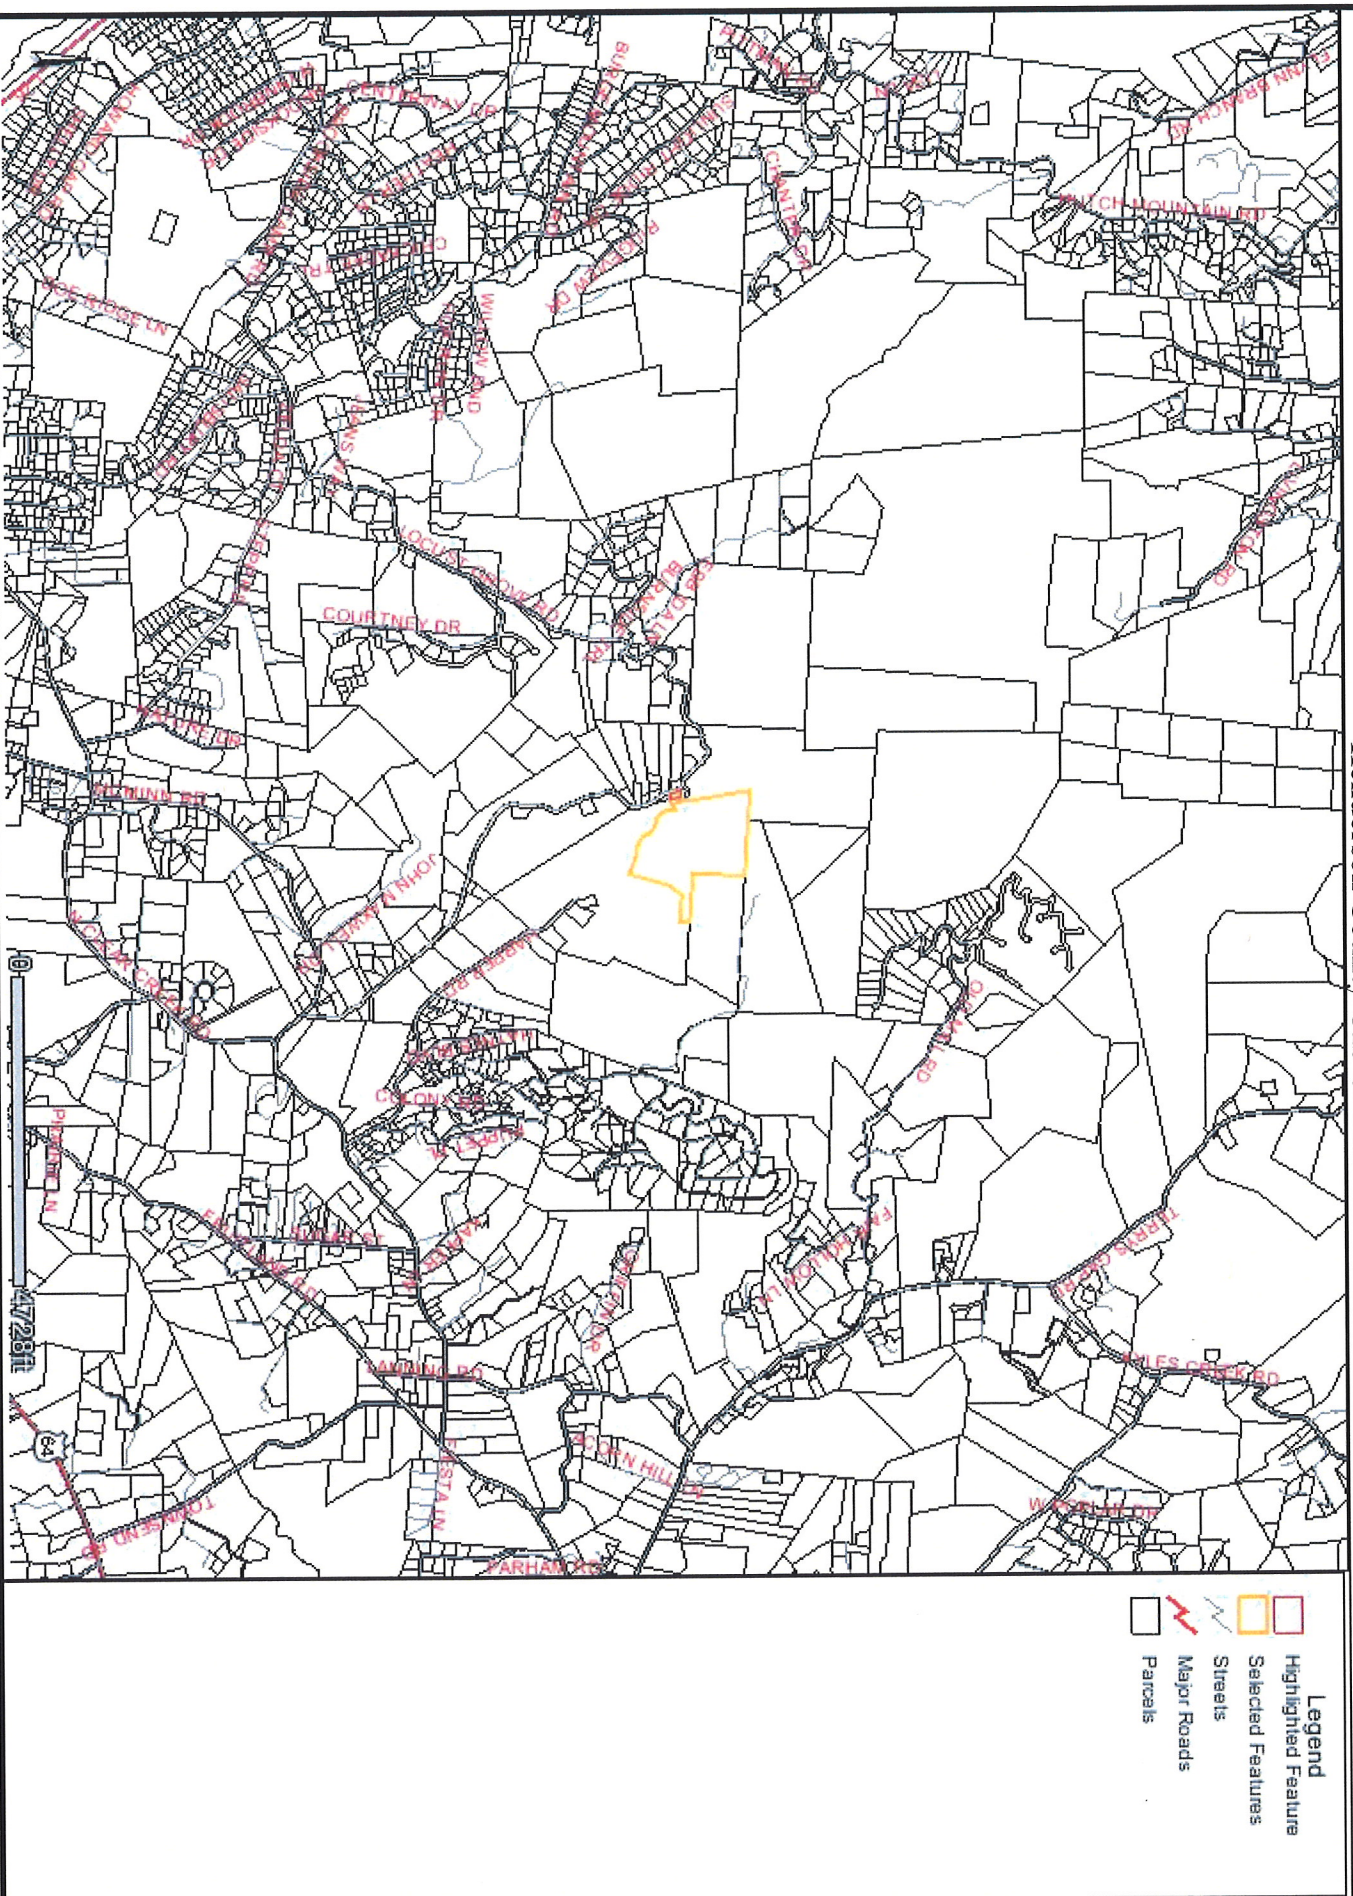

Per our phone conversation, I would like to transfer .31 acres of land on Locust Grove Rd. to the county. I found out there is a 10' section of land between my other property and the .31 acres, which makes this land of no value to me. As I mentioned to you in our conversation, I cannot buy the 10' tract of land, because it is in a trust and cannot be sold.

I would like to request permission to transfer the .31 acres of land to the county, your file number LGL00028.

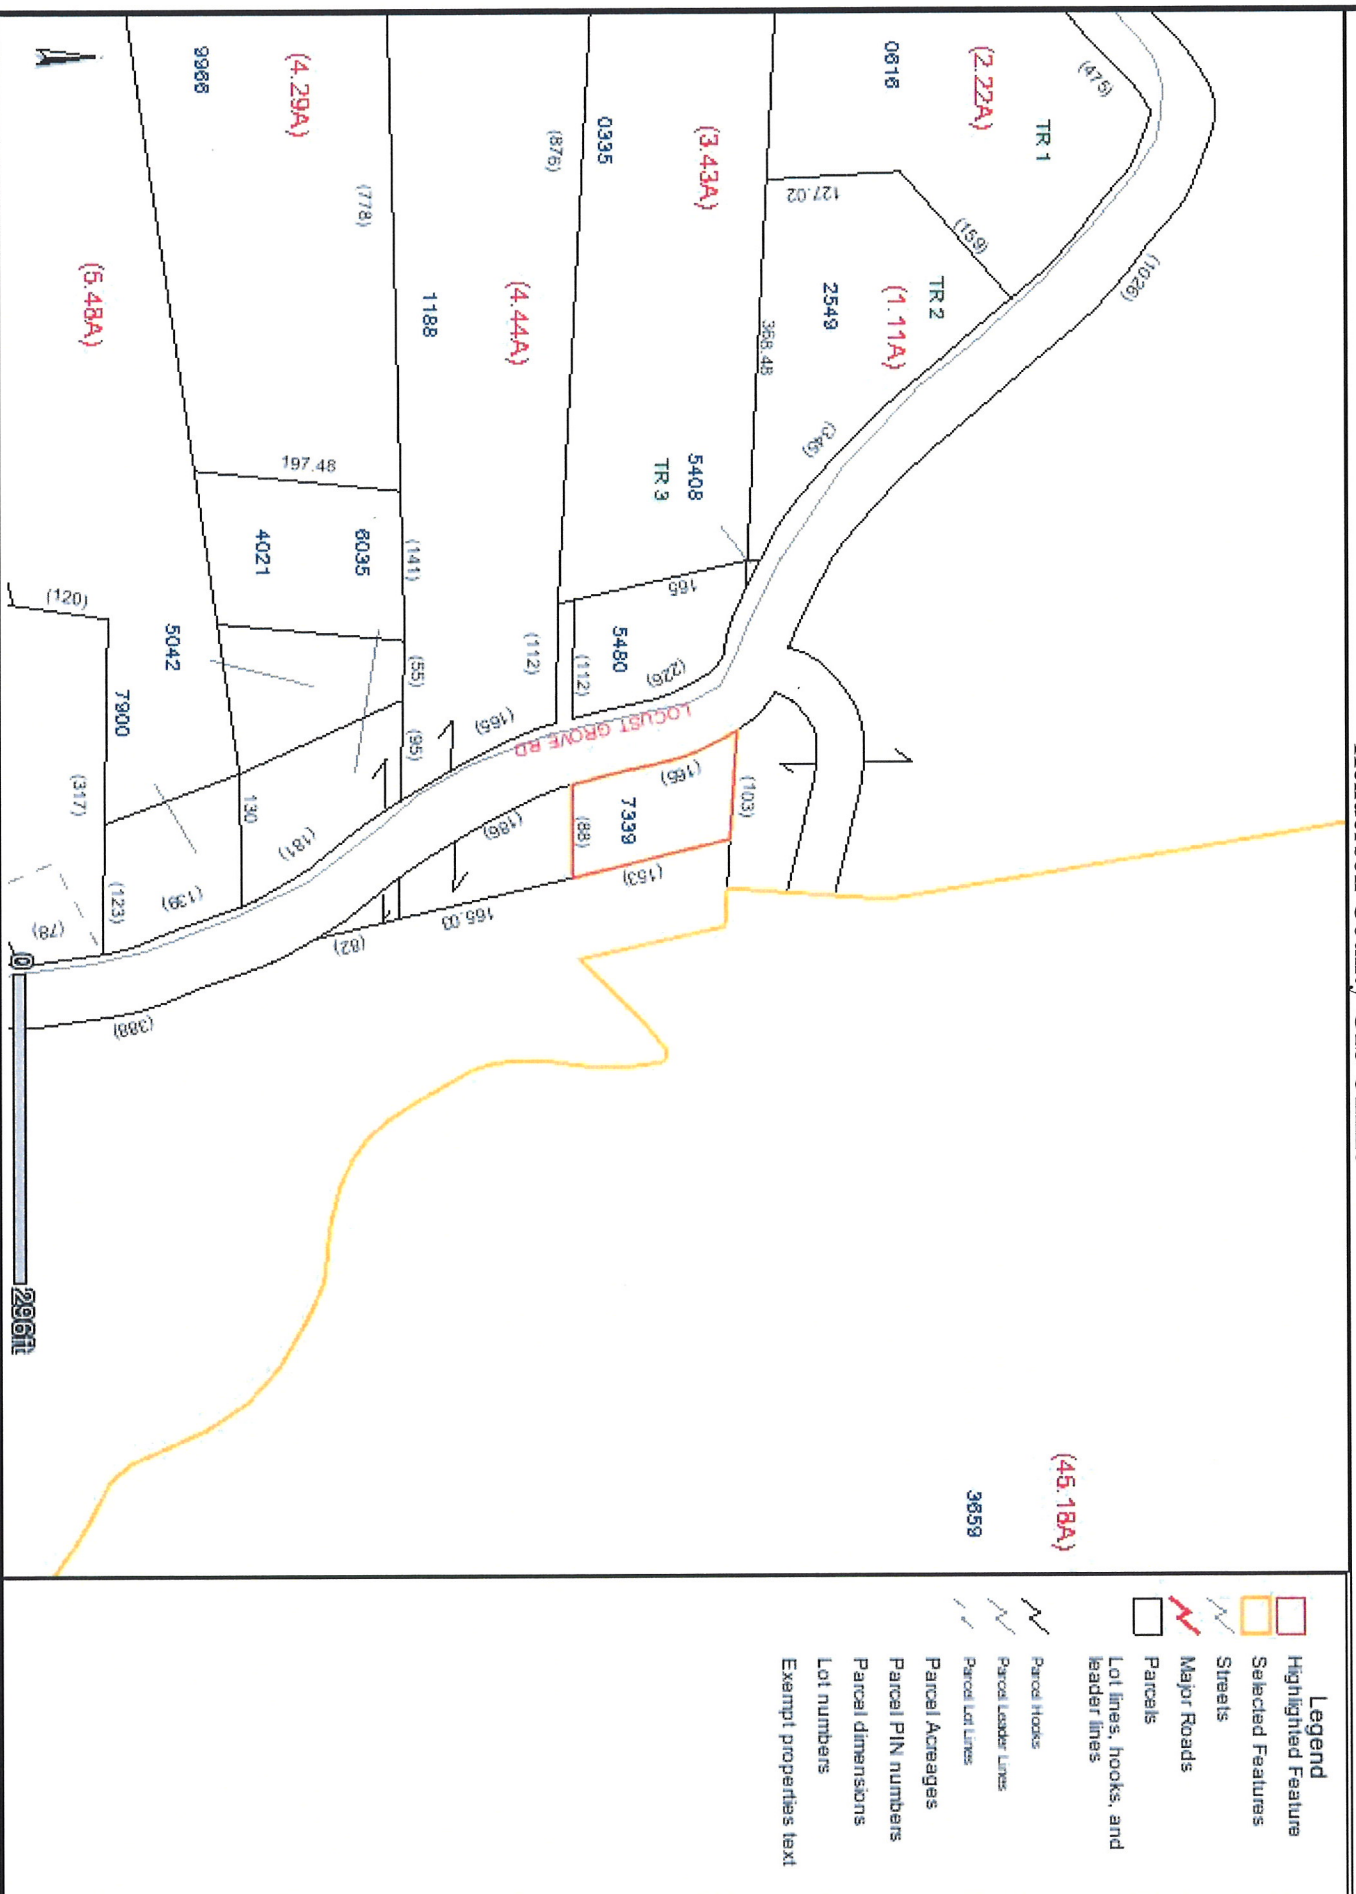

Sincerely,

Robert D. Williams
