SUMMARY OF REQUEST:

Staff continues to conduct public outreach activities and prepare informational materials for the Commissioners next workshop which will focus on how the LDC is applied in specific development scenarios. Staff requests that the next workshop be scheduled to allow enough time for the Planning Board Sub-Committee to evaluate these scenarios and perhaps offer some suggested revisions. We'd like the workshop to be scheduled for early March at a time convenient for the Commissioners. Dates currently without meeting / presentation conflicts include the following:

Monday, March 6
Tuesday, March 7
Wednesday, March 8
Monday, March 13
Tuesday, March 14
Wednesday, March 15
