16. PROPERTY INSPECTION/INVESTIGATION (Choose ONLY ONE of the following Alternatives):

☒ ALTERNATIVE 1:

(a) Property Condition: As to all permanent improvements except: N/A

_____, it is a condition of this contract that (i) the built-in appliances, electrical system, plumbing system, heating and cooling systems, roof coverings (including flashing and gutters), doors and windows, exterior building surfaces, structural components (including foundations, retaining walls, columns, chimneys, floors, walls, ceilings and roofs), porches and decks, fireplaces and flues, crawl space and attic ventilation systems (if any), water and sewer systems (public and private), shall be performing the function for which intended and shall not be in need of immediate repair; (ii) there shall be no unusual drainage conditions or evidence of excessive moisture adversely affecting the structure(s); and (iii) there shall be no friable asbestos or existing environmental contamination.

(b) Inspections/Repair Negotiations: Buyer, at Buyer's expense, may inspect or obtain such inspections of the Property as Buyer deems appropriate. Only items covered by subsections (a)(i), (a)(ii), and (a)(iii) above ("Necessary Repairs") are included in repair negotiations under this contract. All inspections, including but not limited to any additional inspections recommended by Buyer's inspector(s), shall be completed and written notice of Necessary Repairs shall be given to Seller on or before N/A (the "Repair Notice Date"). Seller shall have the option of completing Necessary Repairs or

refusing to complete them. Seller shall provide written notice to Buyer of Seller's response within N/A days of Buyer's notice, **TIME BEING OF THE ESSENCE**. Seller's failure to provide said notice as required shall constitute an election by the Seller not to complete Necessary Repairs. If Seller elects not to complete all Necessary Repairs, then Buyer shall have the option of (a) accepting the Property in its present condition, (b) accepting Seller's offer to make repairs to the extent and as described in the Seller's response, or (c) terminating this contract, in which case all earnest monies shall be refunded. The Buyer shall deliver the Buyer's written decision to Seller within five (5) days after receiving the Seller's written response, or Seller's failure to respond, **TIME BEING OF THE ESSENCE**. Failure of Buyer to provide this written decision by the time stated herein shall constitute acceptance of Seller's agreement to make repairs to the extent and as described in the Seller's response. Buyer shall have the right to verify that any Necessary Repairs have been completed in a good and workmanlike manner.

(c) Wood-Destroying Insects: Buyer shall have the option of obtaining, at Buyer's expense, a report from a licensed pest control operator on a standard form in accordance with the regulations of the North Carolina Structural Pest Control Committee, stating that as to all structures, except: N/A, there was no visible evidence of wood-destroying insects and containing no indication of visible damage therefrom. The report must be obtained on or before the Repair Notice Date. If

the report indicates that there is visible evidence of wood-destroying insects or visible damage therefrom, Seller shall have the option of performing any required treatment or completing Necessary Repairs, or refusing to perform any required treatment or complete Necessary Repairs. If Seller elects not to perform required treatment or complete Necessary Repairs, Buyer shall have the option of accepting the Property without the required treatment or Necessary Repairs, or terminating the contract, in which case all earnest monies shall be refunded. Buyer and Seller shall exercise their respective rights under this subsection (c) in the same manner and within the same time limitations as set forth in subsection (b) above. The Buyer is advised that the inspection report described in this paragraph may not always reveal either structural damage or damage caused by agents or organisms other than wood-destroying insects. If new construction, Seller shall provide a standard warranty of termite soil treatment.

(d) Radon Inspection: Buyer shall have the option, at Buyer's expense, to have the Property tested for radon on or before the Repair Notice Date. The test result shall be deemed satisfactory to Buyer if it indicates a radon level of less than 4.0 pico curies per liter of air (as of January 1, 1997, EPA guidelines reflect an "acceptable" level as anything less than 4.0 pico curies per liter of air). If the test result exceeds the above-mentioned level, Seller shall have the option of: a) remediating to bring the radon level within the satisfactory range; or b) refusing to remediate. Upon the completion of remediation, Buyer may have a radon test performed at Seller's expense, and if the test result indicates a radon level less than 4.0 pico curies per liter of air, it shall be deemed satisfactory to the Buyer. If Seller elects not to remediate, or if remediation is attempted but fails to bring the radon level within the satisfactory range, Buyer shall have the option of: a) accepting the Property with its then current radon level; or b) terminating the contract, in which case all earnest monies shall be refunded. Buyer and Seller shall exercise their respective rights under this subsection (d) in the same manner and within the same time limitations as set forth in subsection (b) above.

(e) Cost Of Repair Contingency: In addition to the above, Buyer shall have the right to terminate this contract if a reasonable estimate obtained by Buyer of the total cost of Necessary Repairs equals or exceeds \$ M/A. This right may be exercised by Buyer without regard to any decision by Seller to complete, or refuse to complete, Necessary Repairs. Buyer shall notify the Seller in writing of its decision to terminate this contract under this Cost of Repair Contingency no later than seven (7) days following the Repair Notice Date, TIME BEING OF THE ESSENCE, in which case all earnest monies shall be refunded to Buyer. Neither the cost of wood-destroying insect treatment under subsection (c) above nor the cost of radon remediation under subsection (d) above shall be included in the cost of repairs under this subsection (e).

(f) CLOSING SHALL CONSTITUTE ACCEPTANCE OF THE PROPERTY IN ITS THEN EXISTING CONDITION UNLESS PROVISION IS OTHERWISE MADE IN WRITING.

☐ **ALTERNATIVE 2: (This Alternative applies ONLY if Alternative 2 is checked AND Buyer has paid the Option Fee.)**

(a) Property Investigation with Option to Terminate: In consideration of the sum set forth in paragraph 4(c) paid by Buyer to Seller (not Escrow Agent) and other valuable consideration, the sufficiency of which is hereby acknowledged (the "Option Fee"), Buyer shall have the right to terminate this contract for any reason or no reason, whether related to the physical condition of the Property or otherwise, by delivering to Seller written notice of termination (the "Termination Notice") by 5:00 p.m. on TIME BEING OF THE ESSENCE (the "Option Termination Date"). At any time prior to Closing, Buyer shall have the right to inspect the Property at Buyer's expense (Buyer is advised to have all inspections/investigations of the Property, including but not limited to those matters set forth in Alternative 1, performed prior to the Option Termination Date).

(b) Exercise of Option: If Buyer delivers the Termination Notice prior to the Option Termination Date, TIME BEING OF THE ESSENCE, this contract shall become null and void and all earnest monies received in connection herewith shall be refunded to Buyer; however, the Option Fee will not be refunded and shall be retained by Seller. If Buyer fails to deliver the Termination Notice to Seller prior to the Option Termination Date, then Buyer will be deemed to have accepted the Property in its physical condition existing as of the Option Termination Date; provided such acceptance shall not constitute a waiver of any rights Buyer has under paragraphs 5, 6 or 7 above. The Option Fee is not refundable, is not a part of any earnest monies, and will be credited to the purchase price at Closing.

(c) CLOSING SHALL CONSTITUTE ACCEPTANCE OF THE PROPERTY IN ITS THEN EXISTING CONDITION UNLESS PROVISION IS OTHERWISE MADE IN WRITING.

17. REASONABLE ACCESS/RESTORATION AND INDEMNITY: Seller will provide reasonable access to the Property (including working, existing utilities) through the earlier of Closing or possession by Buyer. Buyer and Buyer's agents and contractors shall have the right to enter upon the Property for the purpose of appraising and evaluating the Property, and performing the tests and inspections permitted in this contract. Buyer shall, at Buyer's expense, promptly repair any damage to the Property resulting from any activities of Buyer and Buyer's agents and contractors, but Buyer shall not be responsible for any damage caused by accepted practices either approved by the NC Home Inspector Licensure Board or applicable to any other NC licensed professional performing the inspection that reveal Necessary Repairs as defined under Alternative 1 of paragraph 16. Buyer will indemnify and hold Seller harmless from all loss, damage, claims, suits or costs, which shall arise out of any contract, agreement, or injury to any person or property as a result of any activities of Buyer and Buyer's agents and contractors relating to the Property except for any loss, damage, claim, suit or cost arising out of pre-existing conditions of the Property and/or out of Seller's negligence or willful acts or omissions. This repair obligation and indemnity shall survive this contract and any termination hereof. Buyer may conduct a walk-through inspection of the Property prior to Closing.

In such event, however, either party for whom the Closing Date is delayed shall have a maximum of ten (10) days from the Closing Date, or any extension of the Closing Date agreed-upon in writing, in which to close without payment of interest. Following expiration of the ten-day period, the party not ready to close shall be responsible for paying to the other party (if ready, willing and able to close) interest on the purchase price at the rate of eight percent (8%) per annum accruing from the end of the ten-day period until closing occurs or the contract is terminated. Should the delay in closing continue for more than thirty (30) days from the Closing Date or the last agreed-upon extension of the Closing Date, then the non-delaying party shall have the unilateral right to terminate the contract and receive the earnest money, but the right to such receipt shall not affect any other remedies available to the non-delaying party for such breach.

19. POSSESSION: Unless otherwise provided herein, possession shall be delivered at Closing. In the event possession is NOT to be delivered at Closing: ☐ a Buyer Possession Before Closing Agreement is attached OR ☐ a Seller Possession After Closing Agreement is attached. It is a condition of this contract that, until _____ or the Option Termination Date, whichever occurs first, Buyer shall have the right to obtain a risk assessment or inspection of the Property for the presence of lead-based paint and/or lead-based paint hazards* at Buyer's expense. This contingency will terminate at that time unless Buyer or Buyer's agent delivers to the Seller or Seller's agent a written inspection and/or risk assessment report listing the specific existing deficiencies and corrections needed, if any. If any corrections are necessary, Seller shall have the option of completing them or refusing to complete them. Disclosure of Information on Lead-Based Paint and Lead-Based Paint Hazards

Lead Warning Statement

Every Buyer of any interest in residential real property on which a residential dwelling was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning also poses a particular risk to pregnant women. The Seller of any interest in residential real property is required to provide the Buyer with any information on lead-based paint hazards from risk assessments or inspections in the Seller's possession and notify the Buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based hazards is recommended prior to purchase.

STATE OF NORTH CAROLINA RESIDENTIAL PROPERTY DISCLOSURE STATEMENT

INSTRUCTIONS TO PROPERTY OWNERS

1. G.S. 47E requires owners of residential real estate (single-family homes and buildings with up to four dwelling units) to furnish purchasers a property disclosure statement. This form is the only one approved for this purpose. A disclosure statement must be furnished in connection with the sale, exchange, option and sale under a lease with option to purchase (unless the tenant is already occupying or intends to occupy the dwelling). A disclosure statement is not required for some transactions, including the first sale of a dwelling which has never been inhabited and transactions of residential property made pursuant to a lease with option to purchase where the lessee occupies or intends to occupy the dwelling. For a complete list of exemptions, see G.S. 47E-2.
2. You must check one of the boxes for each of the 20 questions on the reverse side of this form.
 - a. If you check "Yes" for any question, you must describe the problem or attach a report from an engineer, contractor, pest control operator or other expert or public agency describing it. If you attach a report, you will not be liable for any inaccurate or incomplete information contained in it so long as you were not grossly negligent in obtaining or transmitting the information.
 - b. If you check "No", you are stating that you have no actual knowledge of any problem. If you check "No" and you know there is a problem, you may be liable for making an intentional misstatement.
 - c. If you check "No Representation", you have no duty to disclose the conditions or characteristics of the property, even if you should have known of them.
 - * If you check "Yes" or "No" and something happens to the property to make your Statement incorrect or inaccurate (for example, the roof begins to leak), you must promptly give the purchaser a corrected Statement or correct the problem.
3. If you are assisted in the sale of your property by a licensed real estate broker, you are still responsible for completing and delivering the Statement to the purchasers; and the broker must disclose any material facts about your property which they know or reasonably should know, regardless of your responses on the Statement.
4. You must give the completed Statement to the purchaser no later than the time the purchaser makes an offer to purchase your property. If you do not, the purchaser can, under certain conditions, cancel any resulting contract (See "Note to Purchasers" below). You should give the purchaser a copy of the Statement containing your signature and keep a copy signed by the purchaser for your records.

Note to Purchasers: If the owner does not give you a Residential Property Disclosure Statement by the time you make your offer to purchase the property, you may under certain conditions cancel any resulting contract and be entitled to a refund of any deposit monies you may have paid. To cancel the contract, you must personally deliver or mail written notice of your decision to cancel to the owner or the owner's agent within three calendar days following your receipt of the Statement, or three calendar days following the date of the contract, whichever occurs first. However, in no event does the Disclosure Act permit you to cancel a contract after settlement of the transaction or (in the case of a sale or exchange) after you have occupied the property, whichever occurs first.

5. In the space below, type or print in ink the address of the property (sufficient to identify it) and your name. Then sign and date.
