

REQUEST FOR BOARD ACTION

HENDERSON COUNTY BOARD OF COMMISSIONERS

MEETING DATE: October 5, 2009

SUBJECT: Register of Deeds – Request to use ROD Restricted Funds for Automation, Enhancement and Document Preservation

ATTACHMENTS: Budget Amendment
Hardware Quotation – Balance Needed

SUMMARY OF REQUEST:

The General Assembly enacted legislation in 2002 that required counties to place 10 percent of certain revenues generated by the Register of Deeds Office into a fund to pay for automation enhancements and document preservation. This fund which is a portion of the County's Restricted General Fund Balance has in excess of \$324,000 currently.

Attached for the Board's consideration is a budget amendment to use the Register of Deeds Restricted General Fund Balance for additional funds necessary to fund hardware and software upgrades being implemented by the Information Technology Department in FY2010. The attached budget amendment appropriates \$20,330 requested from the restricted general fund balance for this purpose. Only the Board of Commissioners may authorize the use and release of these restricted funds.

BOARD ACTION REQUESTED:

Request that the Board consider approving the attached budget amendment appropriating the funds necessary for computer hardware and software upgrades required in the Register of Deeds Office.

Suggested Motion:

I move that the Board of Commissioners approve the attached budget amendment to use Register of Deeds Restricted General Fund Balance for the purposes requested.
