SUMMARY OF REQUEST:

House Bill 1691 ‘An Act to Amend the Statutes Governing Emergency Telephone Service’, was signed into law on July 23, 2010. Section 9 of HB 1691 allows for a one time use of 50% of an agency’s 911 Fund balance, as determined on July 1, 2010, for public safety purposes. These funds are not to be transferred into the General Fund but are to remain in the Emergency Telephone System Fund. This one time amount can be used only in FY 2010-11 and/or 2011-12. The Sheriff’s Office requests that the 911 Fund balance be restricted for use by the 911 Center only.
