

**REQUEST FOR BOARD ACTION**  
**CANE CREEK WATER AND SEWER DISTRICT**  
**DISTRICT BOARD**

**MEETING DATE:** 15 October 2014  
**SUBJECT:** Construction of new line  
**PRESENTER:** Marcus Jones; Mark Williams  
**ATTACHMENT(S):** Map of proposed line

**SUMMARY OF REQUEST:**

Proposed is the extension of sewer lines along Schoolhouse Road in Mills River. The project if approved would meet the near-term needs of Tri-Hishtil (grafted vegetable agriculture development project), and would extend lines to accomplish the District's already-existing Boyleston Creek Lift Station and Interceptor (phase 1) plan.

The County and the company are attempting move forward with possible grant funding for all or a part of the cost of this line. An expression of support for the project by the Board is needed to do so.

County staff will present further information on this matter.

**BOARD ACTION REQUESTED:**

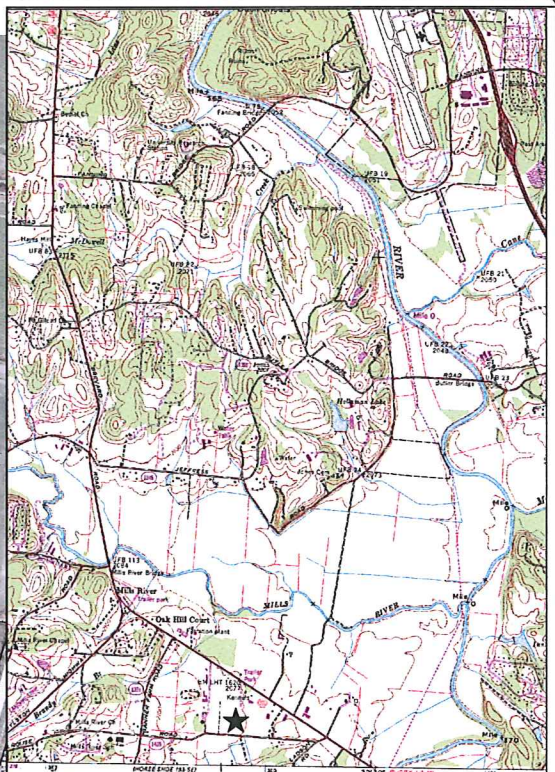

Expression of general support sufficient to move forward with grant application process.

If the Board is so inclined, the following motion is suggested:

***I move that the Board express its support for this project, and its willingness to match up to \$\_\_\_\_\_ of the cost of this project upon receipt of funding from grants or other sources to pay for the remainder of the cost of the same.***
