Subject: Carolina Mountain Land Conservancy Presentation

Staff Contact: Parker Sloan, Planner

Attachments: None

SUMMARY OF REQUEST:

Carolina Mountain Land Conservancy (CMLC) is a local nonprofit organization creating a regional network of permanently protected farm, forest, and natural land. CMLC Provides technical resources that help landowners tailor conservation easements that suit individual needs. CMLC partners with private landowners, community visionaries, and estate management professionals, to conserve land and maximize financial benefits through the use of voluntary land protection agreements, land donations and purchases. The CMLC also tries to raise awareness about the practice of land conservation for future generations.

Tom Fanslow, Land Protection Coordinator for the Carolina Mountain Land Conservancy will be giving a presentation on how the Carolina Mountain Land Conservancy works to conserve land in Henderson County and how his agency can be utilized in the Etowah Horse Shoe Planning Area.
