Hi. My name is Ashley Cauthen. I am in the 8th grade at Flat Rock Middle School and I play on the golf team. Last year, we won the Blue Ridge Conference Championship.

When I was 6 years old, my dad started taking me to Highland Lake Golf Course while he was practicing. He bought me a putter and a sand wedge and taught me a few shots, and I was hooked.

When I was 8 I started going to Saturday morning golf clinics at Highland Lake Golf Course, taught by PGA golf professional, Happy Fox. As I got better I learned I like to compete.

At age 9 I started competing in tournaments, many of them at Highland Lake Golf Course. If it weren't for Highland Lake Golf Course, I wouldn't have been able to learn to play golf. Like many kids, I don't belong to a golf club or a country club.

The Flat Rock Middle School, Apple Valley Middle School, East Henderson High School boys and girl, and the North Henderson High School boys and girls depend on the generosity of more than one golf course or practice facility. I know that we are at Highland Lake Golf Course at least 2 days a week. The Middle School golf programs of Flat Rock, Apple Valley, Hendersonville, and Rugby have at least 4 tournaments a year there. These will have to be replaced somehow.

Also the Western North Carolina Junior Golf Association and US Kids Golf Leagues hold multiple tournaments there.

Senior golfers depend on Highland Lake Golf Course because it is walk-able and affordable.

Soccer can be played on any suitable land. But once a golf course is bulldozed, it is gone forever. The investment to establish a new one is just too high.

We are losing our places to practice and play. My goal is to get a golf scholarship. But without Highland Lake Golf Course, my goal will be a lot harder to achieve. I urge you to find a solution that keeps Highland Lake Golf Course operating as a golf course and I have a petition here with over 200 names that support this position as well.

Thank you for your time.

We Deserve to Play Too!
