A notice of the hearing will be placed in the Times-News. Once the hearing has been held, the street names may be adopted with whatever changes the Board may wish to make. If another name is suggested, a new public hearing will need to be scheduled.

Mr. Matteson suggested the Public Hearing be set for January 6 at 7:00 p.m.

Commissioner McKay made the motion to set the Public Hearing for the first batch of road names (submitted) for January 6, 1991, here, at 7:00 p.m. as recommended. All voted in favor and the motion carried.

DISPOSAL OF SURPLUS VEHICLES

December 2, 1991

Page 5

Mr. Nicholson introduced Frank Aaron, Administrator of Pardee Hospital. They both discussed the possibility of the transfer of an ambulance to Pardee Hospital from EMS. The ambulance would be used by Pardee personnel for transportation of patients on hospital property. If approved, this would eliminate the use of our EMS personnel, who are currently providing this service. Tom Edmundson, Henderson County Emergency Medical Services Director, recommends the transfer.

Commissioner Baker made the motion to transfer the unused ambulance from EMS to Pardee Hospital. All voted in favor and the motion carried.

Commissioner Good made the motion to declare the list of vehicles presented as surplus property and to use the method of sealed bids to dispose of the property. All voted in favor and the motion carried.

After some discussion on the issue, Commissioner McKay suggested that staff hold an auction or dispose of these surplus vehicles every six months, so we wouldn't accumulate so many surplus vehicles.

LATE PENALTY - Room Tax

David Nicholson informed the Board of a request from Skylark Inn for the removal of the late penalty associated with the Henderson County Room Occupancy Tax. A late penalty of \$30.00 was for the September tax collections due to the Finance Department on October 15, 1991. The tax was received in the Finance Department on October 18, three days late. The envelope was postmarked October 16, 1991.

There was much discussion. Commissioner Baker made the motion to reduce the penalty to \$10.00 because of the one day late in posting the envelope and Commissioner Baker requested that staff use the postmark date in the future for assessing the penalty. All voted in favor and the motion carried.

UNTIMELY APPLICATION FOR ELDERLY EXEMPTION

Robert Baird, Tax Assessor, presented an "untimely" application for the elderly exemption from Mr. & Mrs. Adger Haynes for the tax year 1991. There was a clerical error on his staff's part. Mr. Baird recommended acceptance.

Commissioner Baker made the motion to accept this application for elderly exemption. All voted in favor and the motion carried.

REQUEST TO SET PUBLIC HEARING (Carriage Park)

Page 6

The next step in the process is for the Board of Commissioners to schedule a public hearing and after such hearing to act upon the request.
