

REQUEST FOR BOARD ACTION

HENDERSON COUNTY BOARD OF COMMISSIONERS

MEETING DATE: April 18, 2018

SUBJECT: Petition for additions to State Road system

PRESENTER: Autumn Radcliff, Planning Director

ATTACHMENTS: (1) Map of Riverstone Subdivision
(2) State Road Petition for Riverstone Subdivision

SUMMARY OF REQUEST:

Staff received the attached petition to add the roads to the state road system. It has been the practice of this Board to accept road petitions and forward them to NC Department of Transportation for their review. It has also been the practice of the Board not to ask NCDOT to change the priority for roads on the paving priority list.

Staff reviewed attached petition and it appears that all affected property owners or developers have signed the required petition.

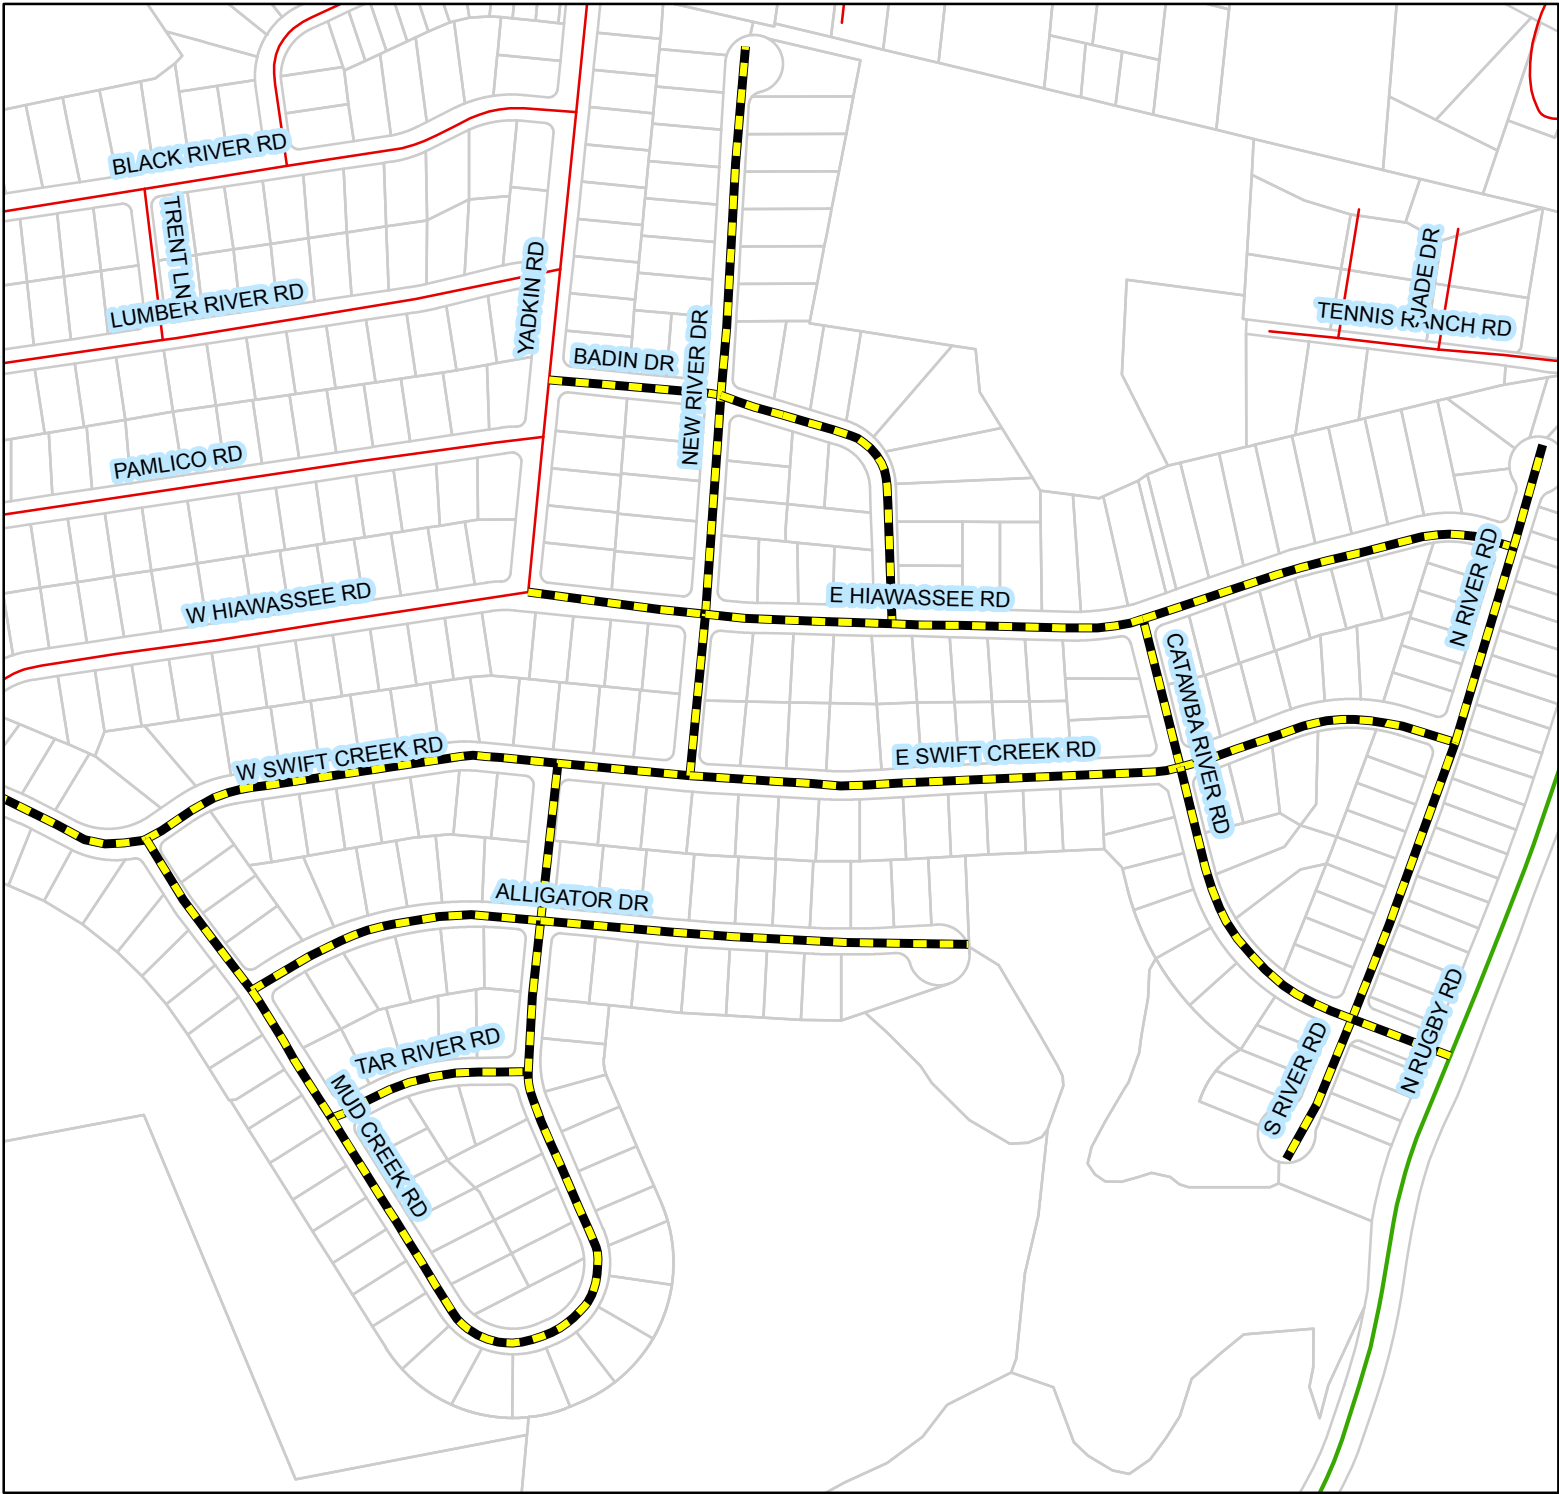

BOARD ACTION REQUESTED:

Staff recommends approval of the petition. If approved, staff will forward the petition to NCDOT.

Suggested Motion:

I move that the Board approve the petition and direct staff to forward them to NCDOT.

 Subdivision established after October 1, 1975

REQUIREMENTS FOR ADDITION

If this road meets the requirements necessary for addition, we agree to grant the Department of Transportation a right-of-way of the necessary width to construct the road to the minimum construction standards of the NCDOT. This right-of-way will extend the entire length of the road that is requested to be added to the state maintained system and will include the necessary areas outside of the right-of-way for cut and fill slopes and drainage. Also, we agree to dedicate additional right-of-way at intersections for sight distance and design purposes and to execute said right-of-way agreement forms that will be submitted to us by representatives of the NCDOT. The right-of-way shall be cleared at no expense to the NCDOT, which includes the removal of utilities, fences, other obstructions, etc.

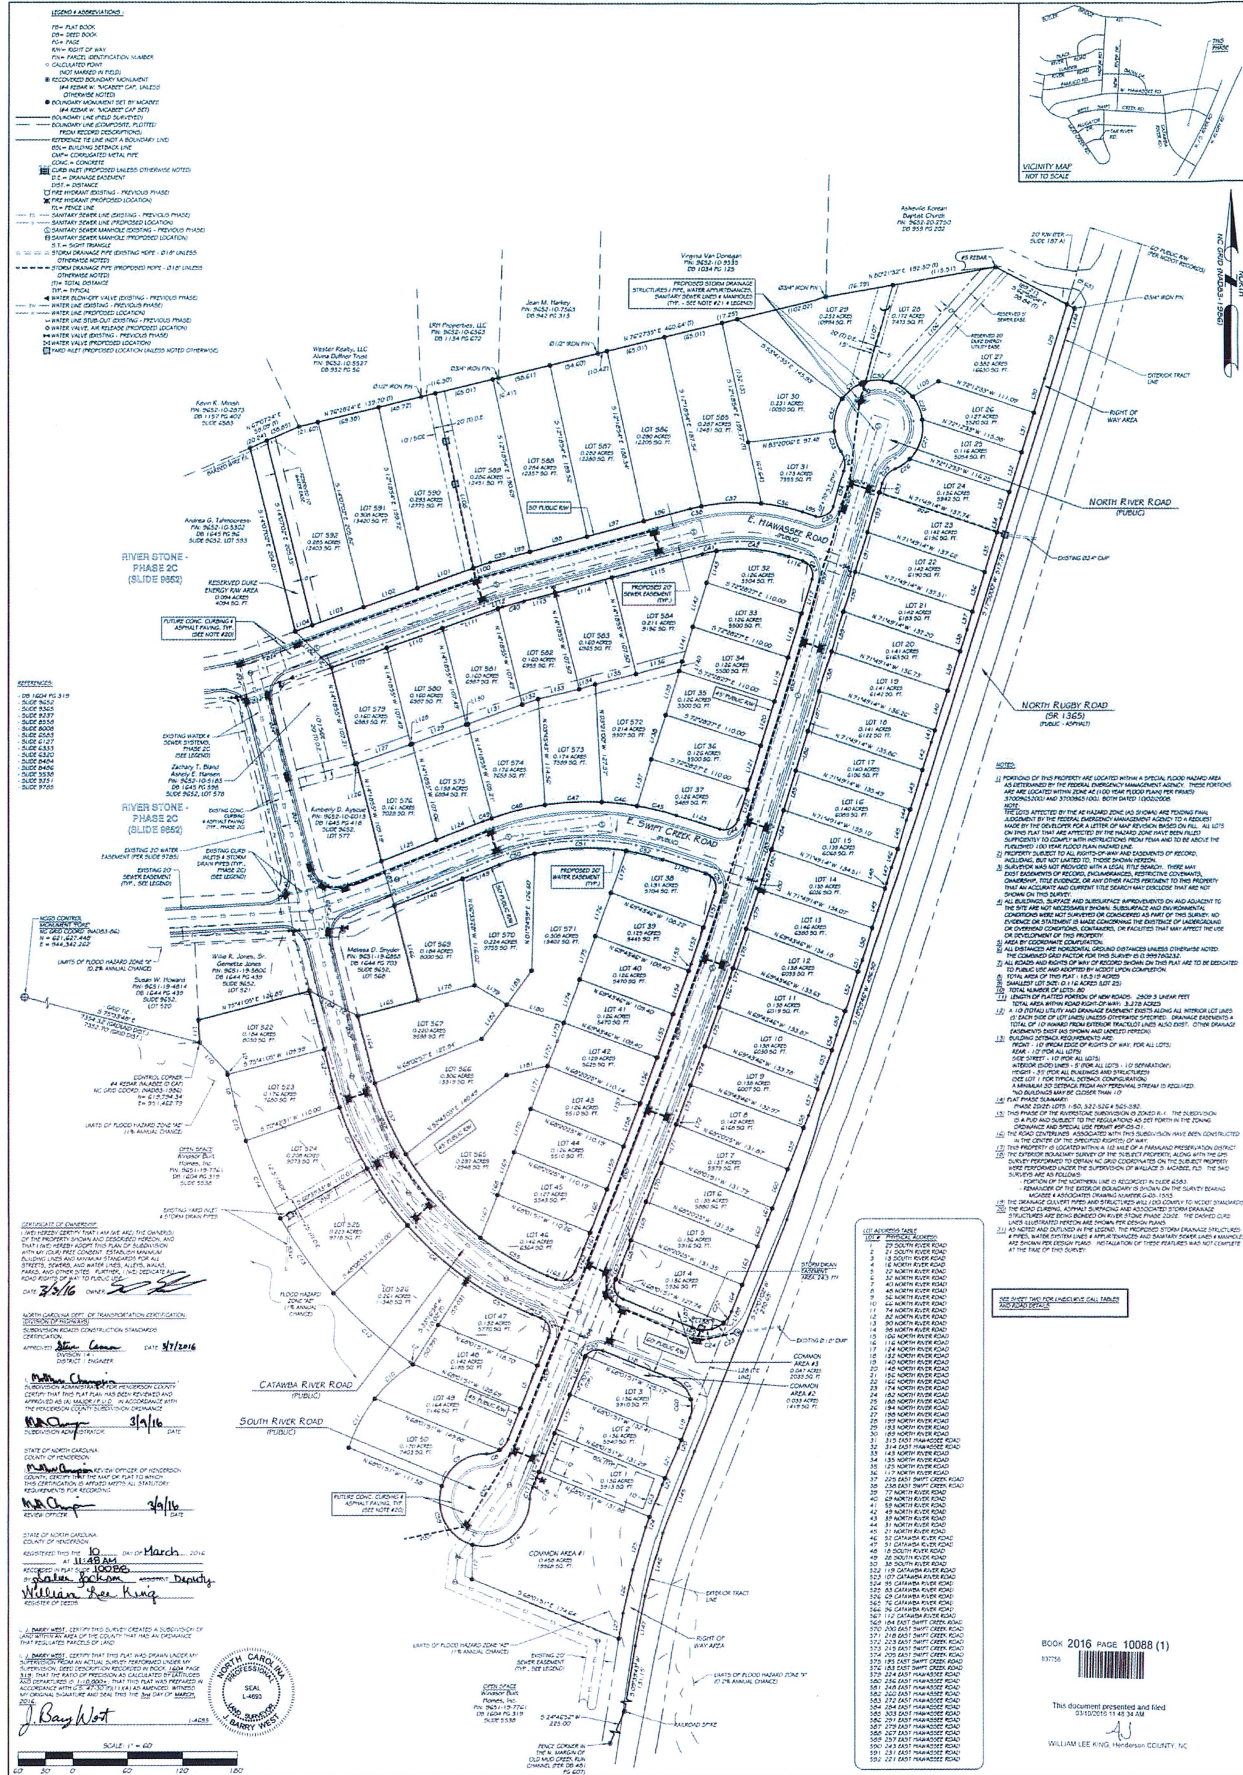

General Statute 136-102.6 states that any subdivision recorded on or after October 1, 1975, must be built in accordance with NCDOT standards in order to be eligible for addition to the State Road System.
