## NO OUTDOOR SHOOTING RANGE ON MACEDONIA ROAD

We, the undersigned, strongly oppose the creation by the Henderson County Commission of a training center and firing range for law enforcement personnel at **2823 Macedonia Rd, Saluda, NC 28773**. This land is adjacent to the pristine North Carolina Game Land, the Green River, and residential properties. The facility will disrupt wildlife, decrease home values, and undermine the tourism appeal of Henderson and Polk counties. It will also conflict with the hunting, fishing, kayaking, and other outdoor recreational activities on the Green River and in the Game Land. **DO NOT follow through with these plans.**

# PETITION TO SAVE SALUDA

## NO OUTDOOR SHOOTING RANGE ON MACEDONIA ROAD

We, the undersigned, strongly oppose the creation by the Henderson County Commission of a training center and firing range for law enforcement personnel at **2823 Macedonia Rd, Saluda, NC 28773**. This land is adjacent to the pristine North Carolina Game Land, the Green River, and residential properties. The facility will disrupt wildlife, decrease home values, and undermine the tourism appeal of Henderson and Polk counties. It will also conflict with the hunting, fishing, kayaking, and other outdoor recreational activities on the Green River and in the Game Land. **DO NOT follow through with these plans.**
