

**HENDERSON COUNTY
BOARD OF COMMISSIONERS**

MEETING DATE: August 6th, 2018

SUBJECT: Lake Summit No-Wake Zones

PRESENTER: Jimmy Brissie, Emergency Services Director

ATTACHMENTS: 1) Draft Map of No Wake Zones

SUMMARY OF REQUEST:

In February of 2018 the County Manager's Office was contacted by the NC Wildlife Resource Commission (NCWRC) regarding the current "No-Wake Zones" in effect on Lake Summit. In North Carolina, such zones are enacted as administrative rules by the NCWRC after request by the county commissioners. The current rule setting Lake Summit zones has been in effect since 1976. Staff believes that it should be updated to reflect the areas which are generally accepted as no wake zones in practice.

County Staff has subsequently met with representatives from the NCWRC, the Lake Summit Property Owner's Association, and several summer camps to review the current zones. This group worked to recommend new zones, which are actually currently generally accepted practice. Staff from the NCWRC conducted a safety review of the proposals and concurred with the recommendations.

Under Administrative Procedure Act, for such changes to take place they must be requested by the Board of Commissioners. Prior to making this request the Board is required to give public notice of the proposed changes.

BOARD ACTION REQUESTED:

The Board is requested to set a public hearing on changes to Lake Summit "no wake zones" for Tuesday September 4th, 2018 at 5:30 PM.

Suggested Motion:

I move that the Board schedule a public hearing for consideration of the changes to the No-Wake Zones for Lake Summit for September 4, 2018 at 5:30 P.M.
