DATE APPROVED: December 3, 2018

INFORMAL PUBLIC COMMENTS

1. Dennis Justice suggested the Board do a Resolution to end daylight savings time. He supports new bathrooms at Jackson Park and feels the best option is more concrete structures. He is in favor of the Board applying for PARTF grants, but not for bathrooms. Pickle ball courts with canopies would be his suggestion. Mr. Justice would like to see an activity center in Fletcher at the lot next to Meritor. He questioned if Travel and Tourism funding could be used.
2. Vervin Stamey requested the Board consider a noise ordinance that is stricter. The current noise ordinance allows gun fire, loud music, race car engine revving, etc. all day. Without a shooting range, the noise ordinance must be stricter with time restraints, and possibly the requirement of permits. Mr. Stamey has the right not to be disrupted.
3. Kenneth Gordon spoke regarding the NCDOT project on Kanuga Road. He is against the round-a-bouts and feels with the proposed project he will lose his carwash business. The change will make customer access almost impossible. He asked the Board to use any influence they have to help this community.
4. Marilyn Gordon spoke regarding the NCDOT project on Kanuga Road. She is against the project as proposed. Many residents and property owners will be negatively affected. She does not want round-a-bouts, though City Council has already voted for them without seeing the next stages of the plan. Access to stores will be almost impossible. She asked the Board to help in any way they could.
5. William Vine is against the Dogwood Health Trust. Health should be provided for all people. He asked the Board to communicate concerns to the Attorney General.
6. Cindy Ward spoke regarding the NCDOT Kanuga Road project. She is opposed to the project as proposed and feels the changes will be devastating to the community. She sent a petition of 1174 names to NCDOT with no change, and another with 1237 signatures against the round-a-bouts. The proposed changes will only cause more accidents and flooding. Kanuga Road is a historic area that needs to be protected. She asked the Board for any assistance they may be able to offer.
7. Kirby Johnson spoke regarding the Kanuga Road project by NCDOT. He is against the project and stated it will take the parking lot away from his business, Johnson's Produce Stand, which he built for his daughters. The business will not survive with the limited parking area. He asked the Board to look at the area at the corner of Erkwood and Kanuga Road.
8. Charles Breckheimer spoke regarding the Oklawaha Trail. He has Parkinson Disease and he and his wife use the trail many times throughout the year for safe exercise without the danger of injury. He asked the Board to continue to support the greenway with the master plan.
9. Chad Anderson spoke regarding the NCDOT Kanuga Road project. He is against the project as proposed and agrees with the others. The setbacks on his property are 25 feet and would take half of his yard. The setbacks are to accommodate turning lanes which he feels are too long. The recent changes to the plan are even worse. He asked the Board to look at 1104 Kanuga Road and see if there is not a better plan.

County Financial Report/Cash Balance Report – September 2018

The September 2018 County Financial Report and Cash Balance Report were provided for the Board's review and approval.

The following are explanations for departments/programs with higher budget to actual percentages for the month of September:

- Garage – encumbrances for Board approved capital purchases, fuel costs to be allocated
- Rescue Squad – payment of 2nd quarter Board approved contribution
- Public Education – payment 3 of 10 of annual appropriation made to the public school system

The YTD deficits in the Recreation Parks Improvements is due to the project (and others) being paid from appropriated fund balance in the Capital Projects Fund, primarily from proceeds received from the sale of the Bent Creek property as approved in the prior year's budget.

The YTD deficit in the Justice Academy Sewer Fund is due to the timing of billing and receipt of payment for services for September.

Motion:

I move that the Board of Commissioners approves the September 2018 County Financial Report and Cash Balance Report as presented.

The Henderson County Public Schools August 2018 Local Current Expense Fund/Other Restricted Funds Report was provided to the Board for review and approval.

Motion:

I move that the Board adopts the Proclamation designating November 14, 2018 as GIS Day in Henderson County.

EMS Ambulance Purchases FY19

For the FY19 budget the Board of Commissioners approved the replacement of three (3) ambulances for Emergency Medical Services. Currently the Rescue Squad maintains four (4) 4WD trucks which are also used by EMS during inclement weather. Over the past two years EMS and Rescue Squad leadership have identified the need for additional four-wheel drive trucks. EMS Staff has worked with the ambulance manufacturer to design a truck which meets our space, weight and budget requirements. Staff recommends purchasing two 4WD trucks during FY19 in place of the traditional 2WD trucks. This may be accomplished with no change in the budget.

Additionally, increasing call volumes and service needs have identified the need for one additional “spare” ambulance. Over the past two years extended repair needs such as resulting from a collision or transmission service have left EMS without a spare vehicle at times. When this occurs and another vehicle experiences issues we may find it necessary to remove a truck from service, impacting response times. It is requested the Board of Commissioners consider approving one of the ambulances already approved for replacement to be maintained within the fleet as a spare ambulance.

In previous years the Board of Commissioners has donated surplus ambulances to the Henderson County Rescue Squad. These trucks are able to continue their service to Henderson County by supporting the Rescue Squad’s needs in providing a dependable vehicle for transportation services. It is requested the Board direct staff to evaluate the surplus ambulances and provide a recommendation for donation when appropriate. If directed, staff will provide the Board a recommendation for consideration of donation at a later date.

Motion:

I move the Board approves the purchase of two four-wheel drive ambulances from funds allocated in FY19 for ambulance replacement and maintain one of the vehicles scheduled for replacement as a spare ambulance for the EMS fleet.

2018-121 Henderson County Title VI Program

The Federal Transit Administration (FTA), under the US Department of Transportation, requires all transit recipients of financial assistance from FTA to adopt a Title VI Plan. Under Title VI, Federal funding agencies require compliance in order to receive FTA financial assistance.

Henderson County’s Title VI plan is a Federal statute that states no person shall be discriminated against, excluded from participation, denied the benefits of, or be subjected to discrimination due to race, color, or national origin. Title VI falls under the Civil Rights Act of 1964 and covers all of the operations of entities without regard to whether specific portions of the activities are federally funded.

Henderson County is a sub recipient of FTA funds and reports to the primary recipient, the City of Asheville. Under Title VI sub recipients shall submit Title VI plans to the primary recipient in order to

assist the primary recipient with compliance. The City of Asheville requires Henderson County for Apple Country Transit to update and adopt a new Title VI plan every three (3) years. The Title VI plan must be approved by the direct or primary recipient's governing officials prior to submission to FTA.

An updated plan is needed for the County and its designated recipient, City of Asheville, to be able to continue to receive these public transportation funds. In order to meet all of FTA's requirements and remain in compliance as a sub recipient, the City of Asheville requested the Board of Commissioners adopt the updated Title VI policy.

Motion:

I move the Board adopt the Henderson County Title VI draft plan as presented.

2018-122 Juvenile Justice Program Revenue

Staff is requesting that the Board approve the corrected budget amendment which serves to record an additional \$50,000 of juvenile justice grant funding to be disbursed to Barium Springs Home for Children for the Task Level II program. Funds are pass through and do not require a match from Henderson County. The original budget amendment approved on October 17th included an error.

Motion:

I move that the Board approves the corrected budget amendment to appropriate revenues and expenditures for additional Juvenile Justice Program Revenues.

2018-123 Vendor Selection and Budget Amendment – Library RFID Project

The Library has been awarded the first year Library Services Technology Act (LSTA) grant funds in the amount of \$75,733 with matching funds of \$25,340 provided by the Friends of the Library for a project total of \$101,073. This grant covers the supply, installation and training of a Radio Frequency Identification (RFID) & Self-Check System for the Main Library and Fletcher Library.

During the September 19, 2018 Board of County Commissioners meeting, the Board approved Tech Logic as the RFID Vendor of choice. However, due to omissions in the bid packet and initial submissions, all submissions were rejected and the project was re-bid. The second bidding for this project was conducted from October 17, 2018 through October 25, 2018. After review of proposals by Library and IT staff, it was determined that the proposal submitted by Tech Logic once again best meets the project requirements.

The total grant appropriated funds for this project are \$75,733. The attached budget amendment in the amount of \$75,733 places these funds into the appropriate line item budgets so that they may be expended according to grant guidelines.

Motion:

I move that the Board approves Tech Logic as the vendor for the Library RFID project and approve the budget amendment in the amount of \$75,733 as presented.

Award for Purchase of (5) Ford Vehicles

The Board approved the low bid to Asheville Ford in the amount of \$107,233.35 on the October 17, 2018 consent agenda. When the order was placed the vendor indicated that the pricing which was based upon the 2018 N.C. Sheriff's Association Vehicle Procurement Program had expired. The 2019 N.C. Sheriff's Association Vehicle Procurement Program pricing for the (5) 2019 Ford Escapes now totals \$110,998.35 (Unit cost - \$22,199.67). This is an increase of \$753 per vehicle or a total increase of \$3,765 from the original low bid submitted by Asheville Ford. Asheville Ford remains the low bid by \$5,921.65 after the price increase. Since these prices are based on the specifications in the original formal bid and are still

within the Board approved budgeted amounts as defined below staff recommends that the board approve the purchase of these vehicles based upon the 2019 Sheriff's Association Vehicle Procurement Program contract number 19-05-0911.

Five (5) vehicles were approved in the Fiscal Year 2019 budget and meet the Henderson County Vehicle Replacement Plan criteria. The total FY2019 Budget for the purchase of these vehicles was \$124,150 comprised of the following departmental budgets: Department of Social Services \$26,000, Garage/Motor Pool \$24,150, Reappraisal \$48,000 (2 vehicles), and Wellness \$26,000.

Motion:

I move the Board accepts the price change from Asheville Ford based on the 2019 N.C. Sheriff's Association Vehicle Procurement Program contract number 19-05-0911 for five 2019 Ford Escape SE 4WD vehicles and authorize Finance to proceed with the purchase.

PARK FACILITIES AT ETOWAH & JACKSON PARK

Etowah Park:

Since hosting multiple tournaments at Etowah Park we are seeing numbers around 500 visitors per day at these events. Currently, the park has one restroom facility that has 3 water closets and 1 urinal. The capacity of this restroom facility was overloaded at the first tournament hosted and we have been renting portable restrooms ever since to accommodate these tournaments.

Jackson Park:

We have 6 fields located in one section of the park and 4 of these fields have close access to restrooms however, fields 6 and 7 do not. The addition of a restroom facility in the proposed location would provide fields 6 and 7 with greater restroom access and safer access for parents who are watching one child play while another needs to get to the facilities. It would expand our overall capacity to host large tournaments and events in the park.

Etowah Park Option 2	Connect to Etowah Sewer	375,000

Attachment 2 Jackson Park Location

The Board discussed the possibility of requesting use of the Lions Club restrooms. Commissioner Lapsley explained that Etowah Lion’s Club is designed the same as a 2 bedroom home, (40 people) does not have the capacity for the large number of people, and would fail.

Steve Wyatt stated we have capacity issues approximately ½ of the year. We may consider taking the current facility at Etowah Park and starting all over. This would be at a substantial cost, and so would the facility at Jackson Park. The distance to the restrooms at both Etowah and Jackson Park were discussed.

Commissioner Lapsley suggests shifting the field at Etowah and adding on the current facility.

David Berry informed the Board that a prefab unit for Jackson Park could be ready by spring. Stick built would not be complete by spring.

Commissioner Messer made the motion that the Board request staff get numbers for Jackson Park together and bring them back to the December 3rd meeting, along with as much information as possible for Etowah Park. All voted in favor and the motion carried.

NCDOT KANUGA ROAD PROJECT – ADD ON

Commissioner Lapsley stated that NCDOT has done work on the Kanuga Road project for more than 10 years. Originally a 100 foot right-of-way was proposed, but after a public hearing, a significant change was made to a 50 foot right-of-way. The impact was reduced significantly and submitted to the public 10 days ago. Mr. Lapsley feels this is not as severe but still needs to be addressed by NCDOT. He would like to talk to them and see if they will review for a month or two in order to address and come back to this Board in January or February. He feels now would be too soon. Commissioner Lapsley will contact NCDOT tomorrow and confirm there is no deadline.

COUNTY MANAGER'S REPORT

County Manager Steve Wyatt informed the Board that County offices will be closed Monday, November 12th in observance of Veteran's Day. This will be the 100th anniversary of the end of WWI. Armistice Day is commemorated every year on 11th day of November to mark the armistice signed between the Allies of World War I and Germany at Compiègne, France, for the cessation of hostilities on the Western Front of World War I, which took effect at eleven o'clock in the morning—the "eleventh hour of the eleventh day of the eleventh month" of 1918. He noted that Commissioner Lapsley has a unique connection and asked him to share it with everyone.

Commissioner Lapsley stated he is proud of the fact that his family is immigrant to the United States of America on his father's side. In 1926 Mr. Lapsley's great grandfather was a ship captain in Great Britain, England and came to this country. His father was a native of England and a naturalized US Citizen. Claude Charles Lapsley (his great grandfather) was born in 1853 and died in 1940. He was a Marine Engineer back in the late 1800's and early 1900's on the largest steamship line (White Star Line) which carried immigrants from Europe to the United States. Around 15-20 large passenger ships sailed from Liverpool, England predominately (London and South Hampton also) to New York and Boston.

His great grandfather became the Chief Marine Engineer for the White Star Line (same Line which owned the Titanic) and was on a ship nearby when the Titanic sank. He sailed back and forth from England to America more than 700 times. During that period of time was World War I. He was on a ship called the Justicia, a passenger ship which carried General Pershing (famous American General who commanded the American Troops in War World I) and during his travels one of the ships was in fact sunk by the Germans off the coast of Ireland and he survived that experience. For his service, from the British Empire, he was awarded two medals by the King of England; The Order of the British Empire (OBE) and the Distinguished Service Cross for his valor and service to his nation in the efforts of World War I.

Commissioner Lapsley shared a photo of his great grandfather, the two awards received, and the document from the King of England awarding his great grandfather. The document is over 100 years old.

Commissioner Lapsley made the motion to adjourn at 7:30 p.m. All voted in favor and the motion carried.
