

REQUEST FOR BOARD ACTION

HENDERSON COUNTY BOARD OF COMMISSIONERS

MEETING DATE: January 7, 2019

SUBJECT: Replacing K-9 Truck for a Durango

PRESENTER: Sheriff Lowell S. Griffin

SUMMARY OF REQUEST:

The Sheriff's Office is requesting that the Board approve the Sheriff's Office to replace the 2019 Dodge Ram 1500 K-9 Truck approved in the FY 2018-19 budget with a 2019 Dodge Durango.

Based upon the prevailing supervisor of the K-9 units training, knowledge and experience using this style truck instead of another vehicle will decrease the in-service lifetime of the K-9. The prolonged exiting and entry from a higher profile vehicle will lead to back and hip problems of the K-9 thus decreasing their service life by years. Furthermore, Shallow Creek Kennels a leading NAPWDA (North American Police Work Dog Association) K-9 company that specializes in the breeding, importing and training of these K-9's recommends that we do not use a truck for the above reasons.

The estimated total cost to include the 2019 Durango, patrol vehicle equipment, K-9 equipment and installation is around \$40,827.00. This is \$658.00 above the 2019 Dodge Ram that was currently budgeted. There are currently enough funds available within our Capital Outlay-Vehicle Line Item (115431-553000) to cover this increase in price.

BOARD ACTION REQUESTED:

The Board is requested to allow the Sheriff's Office to replace the 2019 Dodge Ram 1500 K-9 Truck that was approved in the FY 18-19 budget with the 2019 Dodge Durango K-9 Vehicle.

Suggested Motion:

I move the Board of Commissioners approve the Sheriff's Office to replace the 2019 Dodge Ram 1500 K-9 Truck with the 2019 Dodge Durango K-9 vehicle.
