RE: Donation of Surplus Ambulances

Chairman Hawkins,

Over the years the Rescue Squad has benefited from a tremendous working relationship with Henderson County. The collaboration and cooperation have allowed the Squad to maintain a strong presence in the community while providing innovative services. In the past few years the Board of Commissioners has assisted the Rescue Squad with capital needs such as the purchase of a four-wheel drive ambulance during FY 13.

During the winter of 2016 we began discussions with Emergency Services Director Rocky Hyder related to the replacement of ambulances used for non-emergency transports. After evaluating the options, we determined it would be in the County's best interest to rotate surplus ambulances to the Rescue Squad for non-emergency transports. This program could allow the Rescue Squad to utilize the vehicle for several additional years potentially reducing some capital needs for the County. If this program is successful the day to day non-emergency ambulance capital needs may be able to be met by providing surplus ambulances, limiting the potential capital needs to four-wheel drive ambulances periodically.

The Board of Directors of the Rescue Squad would like to formally request the donation of a surplus Henderson County EMS ambulance for the purposes of supporting non-emergency and support operations for the Henderson County Rescue Squad. The Rescue Squad would assume the costs for equipping, maintaining and insuring these vehicles for the remainder of their lifecycle.

We thank you for your consideration, if you have any questions or concerns please do not hesitate to contact me.

Thank you,

Michael L. Edney
Chairman, Henderson County Rescue Squad, Inc.
