PUBLIC HEARINGS

Consideration of Economic Development Incentives for Project “Brighter Day”

Chairman Hawkins made the motion to go into public hearing. All voted in favor and the motion carried.

A public hearing has been scheduled on 5 August 2019 in the above matter. The hearing is to consider the request of Project Brighter Day Company (the “Company”) for A consider the request of Project Brighter Day Company (the “Company”) for economic development incentives. The Public Hearing was continued to September 3rd and continued again to October 7, 2019.

Russ Burrell stated Project Brighter Day Company is a manufacturing concern located inside the United States contemplating a new location in Henderson County. This company currently has operations in five states the closest of which is Virginia. It operates state-of-the-art hydroponic green houses to grow locally grown food in the area in which it's intended to be consumed, and delivered within 24 hours of harvest and using growing methods that minimize environmental impact when compared to traditional farming. The company is looking

Approved: October 16, 2019

currently at six sites, one of which is Henderson County. The company would invest a total of \$19,650,732.

Under the project as proposed, the public benefit to be derived from the capital project is a total taxable capital investment by Project Brighter Day Company of at least \$18,538,126.00 in real property (not including any land acquisition costs), and \$1,112,606.00 in business personal property (equipment). The project would result in the creation of 55 new jobs, at an average wage of \$41,694, which is in excess of the average wage in Henderson County for full-time employment, plus other benefits. The contemplated incentives would last for a period of five years. The first year's contemplated incentive, if granted, would be not more than \$77,168.42, based on the new investment, the number of new employees, and the Board's incentives guidelines. The maximum amount of incentives to be considered in this grant over the five years would be \$381,160.83.

At the conclusion of the public hearing, the Board may choose to take action, delay action to a subsequent meeting, or take no action.

Public Input

There was none.

Chairman Hawkins made the motion to go out of public hearing. All voted in favor and the motion carried.

Chairman Hawkins made the motion to approve the incentives as presented. All voted in favor and the motion carried.

INFORMAL PUBLIC COMMENT

1. John DeGelleke spoke regarding NCDOT project R-2588B (Highway 191). He feels the widening project needs to be reassessed. More information is necessary before impacting the landowners.
2. Dennis Justice spoke in favor of sports betting.

DISCUSSION/ADJUSTMENT OF CONSENT AGENDA

Commissioner Messer made the motion to approve Consent Agenda as presented. All voted in favor and the motion carried.

CONSENT AGENDA consisted of the following:

\$ 80,531.00

Total Refunds as a Result of the Above Releases \$ 9,451.61

Motion:

I move the Board approves the Combined Release/Refund Report as presented.

County Financial Report/Cash Balance Report – August 2019

The August 2019 County Financial and Cash Balance Reports were provided for the Board's review and approval.

The following are explanations for departments/programs with higher budget to actual percentages for the month of August:

- Non-profit contributions – payment of 1st quarter Board approved non-profit contributions to agencies
- Information Technology – renewal of budgeted annual maintenance and service contracts
- Emergency Management – disbursement of FEMA grant reimbursements to participating agencies
- Rescue Squad – payment of 1st quarter Board approved contribution payment
- Mental Health – payment of 1st quarter Board approved maintenance of effort (MOE)
- Non-Departmental – due to timing of allocation of annual insurance payment to user departments

The project to date deficit in the Hendersonville High School Project (2019) is due to the payment of architect fees and other expenditures for the project in the Capital Projects Fund that will be reimbursed from a future financing.

The project to date deficit in the Oklawaha Greenway Project is due to the timing of the grantor's reimbursement of expenditures incurred.

Motion:

I move that the Board of Commissioners approve the August 2019 County Financial Report and Cash Balance Report as presented.

Henderson County Public Schools Financial Reports – August 2019

The Henderson County Public Schools August 2019 Local Current Expense Fund / Other Restricted Funds report was provided for the Board's review.

Motion:

I move that the Board of Commissioners approve the Henderson County Public Schools August 2019 Financial Reports as presented.

Notice of proposed lease to HOLA Community Arts

Pursuant to N.C. Gen. Stat. §160A-272(a1), the Board is requested to give notice of its intent to lease property to HOLA Community Arts. No public hearing is required, but notice is required prior to entering the lease. Provisional notice was published in the *Hendersonville Lightning* on October 2, 2019. Final approval of the lease, should it occur, would be on November 4, 2019.

The proposed lease was provided.

The requested date and time for the public hearing is November 4, 2019, at 5:30 o'clock p.m.

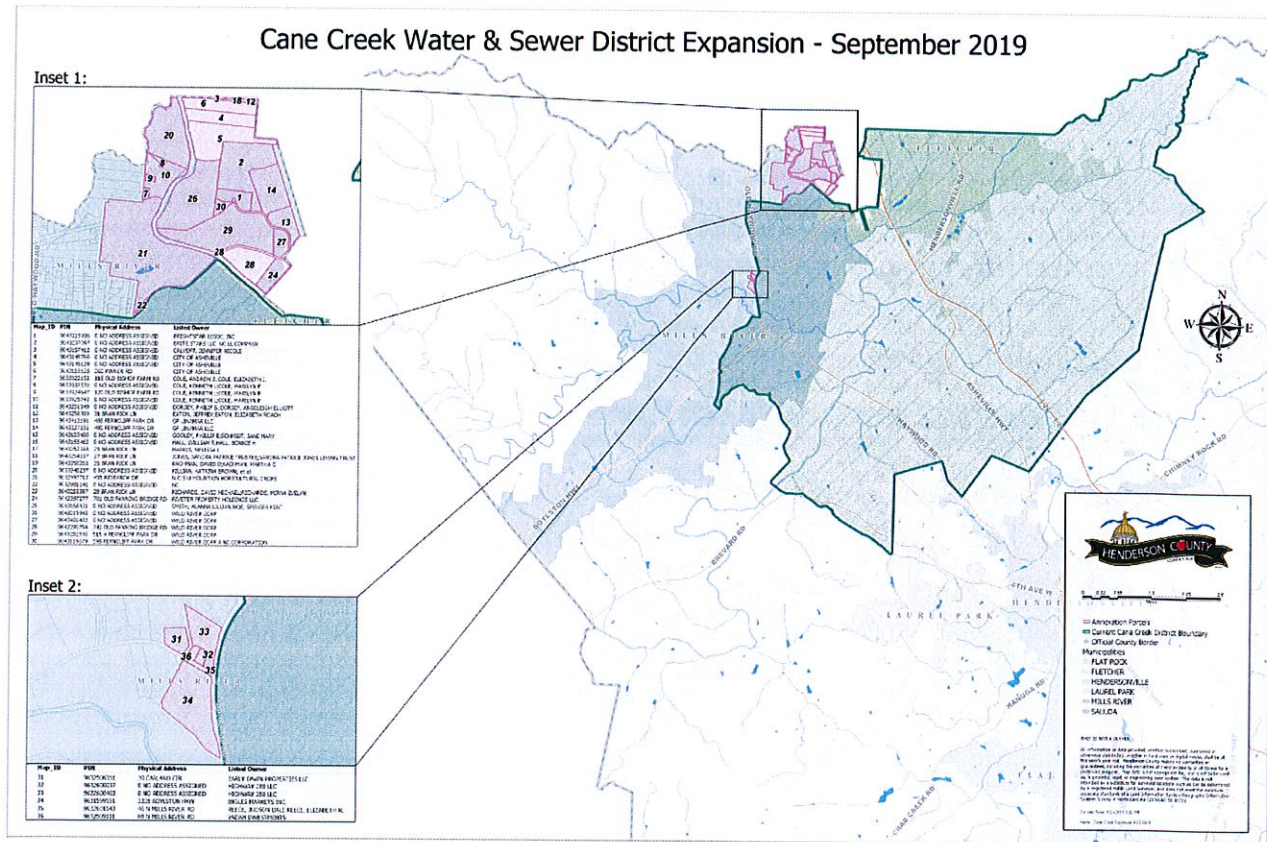

Motion:

I move that the Board give notice of its intent to enter the lease provided at its November 4, 2019, meeting.

Set joint public hearing for expansion of Cane Creek Water and Sewer District

This proposal would add to the Cane Creek District the properties listed. These properties adjoin the existing system boundary, and are already served by it. Their inclusion in the District would allow their direct service by Metropolitan Sewerage District of Buncombe County upon its merger with the Cane Creek Water and Sewer District.

Under N.C. Gen. Stat. §162A-87.1, the Board of Commissioners must set a public hearing to extend the boundaries of the district.

Motion:

I move that the Board set a public hearing on the expansion of the Cane Creek Water and Sewer District for 5:30 p.m. on November 4, 2019.

Facility Use Policy Exemption – Special Needs Sports

The County has received an application from Special Needs Sports to use the Historic Courthouse lawn on Saturday, November 2nd, 2019 from 10:00am – 2:00pm for a Special Needs Craft Fair. In the event of inclement weather, the event will be held inside the Courthouse. The event will include the sale arts and crafts.

To allow for this use on County grounds, the Board is requested to grant a one-time exemption to rule #4 of the County Facility Use Policy, which prohibits solicitation on the grounds. This exemption, if granted, would cover the date and time specified on the application, and outlined above.

Motion:

I move that the Board grants an exemption to the County Facility Use Policy for Special Needs Sports, allowing for the sale of arts and crafts on the Historic Courthouse lawn, or within the Courthouse if necessary, on Saturday, November 2nd, 2019 from 10:00am – 2:00pm.

DISCUSSION/ADJUSTMENT OF DISCUSSION AGENDA

Commissioner Lapsley made the motion to adopt the discussion agenda as presented. All voted in favor and the motion carried.

CONTINENTAL AUTOMOTIVE SYSTEMS RELOCATION

Brittney Brady, Partnership for Economic Development and Dr. Laura Leatherwood, Blue Ridge Community College provided information.

On September 25, 2019, Continental Automotive Systems announced that it would be closing the Henderson County plant based in Fletcher, and consolidating operations in Mexico. Brittney Brady, President of the Partnership for Economic Development, and Dr. Laura Leatherwood, President of Blue Ridge Community College, will provide the Board with an update on the Henderson County response.

Brittany Brady stated on Wednesday, September 25, 2019, Continental Corporation held a Board meeting in Germany. During that meeting they discussed a company realignment to move themselves into a better position as the automotive industry shifts. Their decision impacted over 20,000 employees in locations around the globe. Unfortunately the Henderson County location in the Town of Fletcher was impacted by this decision. What this means for Henderson County is that Continental will operate business as usual until the end of 2021. During 2022 there will be a transition. In remaining production and necessary equipment will

transition to Mexico. We are planning for 2022 and taking necessary steps to protect our people and lessen the tax burden. As an organization that is here to protect industry we have asked ourselves in their local and corporate teams, multiple times, what could have been done differently and how could we have prevented this. The answer has continuously been there is nothing that could have been done. This was a decision that was made in Germany and while there is always concern with companies that have a large footprint such as Continental, the Henderson County facility was in a favorable location that had good people and recent investments that would align them for the future of the automotive industry. However the German decision went against local positioning. The Partnership is working closely with the community college to do more strategic outreach to continental suppliers and like-minded companies in the community to assure as we go into the possible market correction in 2020 we are doing absolutely all we can to protect our industry footprint and protect the 5800 people who work in the manufacturing sector. We are fortunate that we were able to respond quickly on September 25th and develop next steps by close of business days. They are meeting this week to develop a rapid response plan that if we were able to face this again our community stands ready to support industry. We will work closely with Continental during the next three years. It is their goal to make sure it is business as usual, and are taking steps that come 2022 they are prepared. Over the next 45-60 days they have more meetings scheduled with their North American leadership to further discuss the decision and if anything else can be done to fight for another book of business. If their business model does not align here in Henderson County HCPED is making strategic marketing outreach for potential clients for their building. They have been told their real estate group will work with the Partnership in about 1.5 years to discuss marketing the building, traditionally. While this has been a difficult discussion the Partnership is optimistic. There is time and the organization will continue to operate as normal for nearly three years, and during that time they are rolling up their sleeves. Since the day of the announcement community leaders have been in constant communication to assure success for our citizens and will continue to do so.

Dr. Laura Leatherwood stated the college has a long history of collaboration with Continental Automotive Systems. BRCC began training them back in 2009, approximately 10 years ago. Since 2010 the college has provided over \$728,000 in customized training to their employees. BRCC has had three separate training projects over the last 10 years. Their most recent project was in 2018, where the company was making a \$49.1m investment in the company. They added 9 new plastic injection mold lines. BRCC has a training project going on at the time of this announcement. Over the last 10 years BRCC has been inside that company training nonstop for their employees and improving their position. As soon as the announcement was made, by the end of the day, Brittany Brady, Dr. Leatherwood, Chip Gould and Steve Gwaltney were there meeting with the company trying to figure out what is next. No layoffs are expected until the third quarter of 2021, with business as usual until then. They have however begun to mobilize on campus and begin serving those employees should they reach out to BRCC. They are working with a company and have been told they will be requesting trade adjustment assistance funds, which is a Federal program available to the employees. In addition, working with the Mountain Area Workforce Board they will be able to have dislocated worker funds as well. Dr. Leatherwood and Mrs. Brady both had conversations with the plant manager and the HR director, and they expect another meeting with them in the next 30 days to get a plan of action. The good news is that the economy in Henderson County is good, and in the region. The ability of these employees to transition to another advance manufacturing position in our area is very good right now. For the month of September, there were 353 job postings for production occupations in the manufacturing sector just in Henderson and Transylvania County. In the region there were 1100 unique job postings for that same sector. In fact we have had several companies that have approached them about opportunities for those employees and they are keeping a running list what those opportunities are.

The capital investment made by Henderson County in the college really helps them better serve these companies and allows them the flexibility to do this very training previously done with Continental.

Commissioner Lapsley feels most people in our community do not see us as a globally impacted employment situation with a lot of our folks. This is an example that we are in fact impacted by what goes on globally. In regard to the Henderson County Partnership for Economic Development, he has heard comments from citizens

in the last 4-6 months such as “With the current unemployment rate of 3.6 percent in Henderson County why are we out there in Henderson County trying to attract new industry, we don’t have people to fill the position”? To him this is a perfect example of why we need to continue to encourage the Partnership to get out there and always be looking for new manufacturing firms to come in here. We never know when this type of situation will occur.

Steve Wyatt stated media called as soon as they got word of this and he immediately called Brittany Brady. The response of the community was extra professional. Within hours we have neighboring industry reaching out for employees. We do have economic development agreements with Continental and Attorney Russ Burrell will have it on the next meeting agenda.

GROUP WORK CAMPS

Bob Robbins provided a presentation on Group Workcamps, serving the community through home repair. The non-profit organization provides volunteer labor improving the lives of neighbors and restoring entire communities. Their request is for the County to help identify a co-sponsor to bring this program into the community. www.GroupMissionTrips.com/info/partners

For decades, Group Workcamps has been serving residents, working with community leaders, organizing home repair projects, restoring entire neighborhoods, and bringing hope to communities. During their collaborative project they will bring up to 400 volunteer participants, youth and adult leaders, all of whom work on 50-70 homes for elderly, low-income, disabled, and veteran residents.

Although the repairs are free to the residents, there are necessary funds for materials. Group Workcamps provides some of the fund that is combined with local funds to pay for building materials – 100% of funds stay in the community. Local funding allows selection of homes in needs and help prepare the descriptions of the work to be accomplished at each site.

Local Funding Role

- Funding - Share the funding for necessary building materials with Group Workcamps.
- Finding - Select up to 70 homes for them to repair, based on the need of the individual resident.
- Writing - Begin the process of creating work descriptions for them to finalize.
- Staffing - Establish a main contact throughout the process and someone available during pre-camp and camp week to help them bring everything together.
- Lodging - Introduce them to the leaders at the local school district. They house the Workcamp participants in a local school and reimburse the district for all costs related to their stay, plus the salary/benefit packages of cooks and custodians.

Their Role

- Funding - Provide up to \$12,000 additional dollars for materials.
- Marketing - Conduct a national marketing campaign with the goal of recruiting up to 400 enthusiastic volunteers.
- Managing - Assign a seasoned Project Manager to guide you, step-by-step, from pre-camp planning to past-camp wrap-up.
- Staffing - Provide a trained staff of 12-16 adults to oversee all aspects of running the Workcamp
- Planning - Take care of all details of lodging, food, transportation of crews, and entertainment at the school. Assign crews to worksites based on the skills needed.
- Insurance - Provide extensive insurance coverage for the project.
- Materials - Work with you to finance the purchase of building materials.

Chairman Hawkins feels this is a win-win program for not only the folks who need the service but for the youth to have an opportunity to teamwork a project and learn some skills. Hopefully we will be able to locate some co-sponsors in the near future.

PARDEE HOSPITAL AUDIT PRESENTATION

Jay Kirby, CEO and Jeff Rush CFO for Margaret R. Pardee Memorial Hospital (Henderson County Hospital Corporation) presented the organization's FY19 Audit results as approved by the Pardee Board on September 25, 2019.

Mr. Kirby stated with him today are Chip Gould, Chairman of the Finance Committee, and Chief Financial Officer Jeff Rush.

This past year was a good year for Pardee Hospital. They just completed their audit, their second year with BDO, and Independent Auditor that does all audits for UNC Healthcare facilities. This year they received an unmodified opinion on all of their financial statements which is a clean opinion with no audit adjustments. There were no material weaknesses identified, no matters of fraud or illegal acts were brought to BDO's attention or to the Hospital Board's attention. There were no disagreements with management.

Pardee experienced an approximate \$9m turnaround driven by strong volumes and astringent expense management. Their admissions throughout the year were up close to 5%, surgical cases up over 3.5%, the Cancer Center was up 11%, and radiation/oncology up 6%.

Over the past year they have invested heavily in their physician network. Their physician practices recently opened in Laurel Park and have expanded in Etowah, Hendersonville and Mills River. Their physician practices are up 10% over the prior year.

This year they had a margin improvement plan, cost reduction program that did an exceptionable job managing their expenses. Overall their operating margin came in at 3.1%, driven by increasing volumes and tight expense management.

Mr. Kirby stated increasing costs are hitting all hospitals, such as increasing staff costs. It is very difficult to find and keep good people. They are increasingly competing with their less skilled physicians with organizations across the county. Today they are dealing with a more regional population workforce, an orientation today included 15-16 new employees that came on board and unfortunately not one of them lives in Henderson County, most live in surrounding counties where they can find housing. Today they have about 100 jobs open that can be found on their website. They work closely with HC Public Schools and Blue Ridge Community College, and other technical colleges across the region, as well as Wingate, to train up a workforce. If they can get the kids in middle school and high school to think about entering a field in health care we want them to go to Blue Ridge. They have over 400 students to come through on a yearly basis to be trained by the men and women who care for our family every day.

A new residency program has just started through the help of the General Assembly, UNC Healthcare and MAHEC, where they are training over 15 family practice residents, 12 general surgery residents and 12 psychiatry residents.

Drug costs also increased some 300%. The outcomes of people living with cancer, their lifespans are increasing as well. Being a county facility and open to everyone, that too places pressures... but pressures they are proud to take on.

UNC Healthcare negotiated a contract with Blue Cross Blue Shield this year with a whole lot less fan-fare than others.

2045 COUNTY COMPREHENSIVE PLAN (CCP) PROCESS SCHEDULE

Autumn Radcliff stated the County Comprehensive Plan (CCP) was adopted in July of 2004 to provide a guideline for growth in the County through the year 2020. Prior to the adoption of the CCP, the County had a 1977 Land Use Plan and a 1993 Comprehensive Land Use Plan.

On May 6, 2019, the Board of Commissioners adopted a resolution to extend the current CCP to the year 2023 to allow the County time to receive the necessary documents to complete an update, such as the completion of the Cane Creek Sewer District Master Plan/Map, completion of the Master Water and Sewer Plan for the City of Hendersonville, and demographic data from the 2020 Census.

At the September 18th meeting, the Board requested staff to provide an overview of the schedule for the plan update. The 2045 CCP will guide growth for the next 20 years. Staff has provided a plan process schedule. The draft plan is scheduled to be adopted in FY23.

Purpose of the CCP

- A long-range roadmap for future growth (our vision)
- Examines and addresses key elements of the County and surrounding communities
- Establishes written goals and objectives for future growth
- Serves as a guide for major decisions regarding landuse, transportation, infrastructure and other issues.
 - NC General Statutes requires plan consistency statement (CCP) for zoning decisions
 - New changes with the NC General Statutes will require a CCP be adopted for all jurisdictions
- Provides a balance between facilitating change in the county and community traditions, natural environment and our heritage
- Inclusion of existing adopted plans

2045 CCP Process

The update to the County Comprehensive Plan (CCP) will direct and guide growth within the county's jurisdiction for the next 20 years. The plan must be completed and adopted by 2023 to replace the existing CCP. This schedule will be adjusted as needed throughout the process.

The Plan Process/Phases

1. Research and Identify
2. Visioning
3. Public Participation and Education
4. Adopting the CCP Vision
5. Plan Development
6. Public Review and Adoption

Phase I – Research and Identify / 4-6 Month Process (FY20)

- Project research
- Identify target groups, organizations, and agencies
- Identify existing boards and committees
- Determine consultant role and budget
- Select Planning Board members to serve as liaisons on existing boards and committees
- Assessment of current plan conditions and completed outcomes
- Identify existing adopted plans for inclusion
- Select consultants

Phase 2 – Visioning / 4-5 Month Process (FY20-FY21)

- Visioning workshop with County Board of Commissioners
- Visioning work session with Planning Board
- Meet with municipal and county staff

Phase 3 – Public Participation and Education / 6-8 Month Process (FY21)

- Public outreach about the CCP process, participation, and outcome (ongoing)
- Design a CCP webpage with current updates (ongoing)
- Public participation process facilitated and managed by consultant

Phase 4 – Adopting the CCP Vision / 1-2 Month Process (FY22)

- Begin drafting the introduction sections of the plan
- Develop the table of contents
- Board of Commissioners adopt the CCP vision that will guide plan development

Phase 5 – Plan Development / 15-18 Month Process (FY21-FY22)

- Work with existing boards and committees to draft the CCP's core sections and subsections
- Complete the demographics/data (related to the 2020 census data releases)
- Finalize CCP maps
- Develop all other related sections of the CCP (community plan framework, glossary, appendices, etc.)

Phase 6 – Public Review and Adoption / 6-8 Month Process (FY22-FY23)

- Finalize draft CCP for public review
- Provide opportunities for public comment
- Final Planning Board recommendation
- Schedule and hold public hearing on draft CCP
- Adoption by Board of Commissioners

Topics to think about

- Housing – workforce housing, multi-family, density
- Transportation – road improvements, airport, greenways, complete streets
- Land use – agricultural, commercial, industrial, residential
- Community/neighborhood nodes for mixed housing and commercial uses
- Environmental – floodways/floodplains, wetlands, steep slopes
- Infrastructure – water, sewer, broadband internet

Autumn Radcliff explained that there is an intent to delay the remaining 5 of the 10 small area plans. There will be many changes with the Comp Plan and the small area plans will be the first thing to pick back up on once the Comp Plan is complete.

Steve Wyatt stated these are critical issues. What is done here will lay the ground work for looking back at the Land Development Code and small area plans.

1. What jurisdiction is covered by this plan?

Autumn Radcliff responded the CCP is for the entire county, including all of the municipalities. They will take the municipality comprehensive plans into account but will plan to work with all citizens of Henderson County. They can only impact what is within our jurisdiction when it comes to zoning and regulations.

2. Do the municipalities have the same requirement for a comprehensive plan for their zoning justifications?

Matt Champion responded yes they have the same requirement.

3. Do we know of any North Carolina counties that have brought their municipalities together and had a county-wide comprehensive plan that covered both inside and outside?

Steve Wyatt asked staff to research by the next meeting.

It was the consensus of the Board to proceed with the update.

PURCHASE OF A DRONE FOR EMERGENCY OPERATIONS

The Sheriff's Office is requesting that the Board approve the Sheriff's Office purchase of a Drone to be used in emergency situations. The Drone will be utilized in emergency operations and will be available for use for not only the Sheriff's Office but all emergency responding agencies in the area. The purpose of having a Drone will be criminal apprehension, rescues, hazardous materials incidents, fire situations, and many more possible uses. This purchase will be made using taxes collected by the North Carolina Department of Revenue assessed against persons that have violated the Controlled Substances Act.

Chairman Hawkins made the motion that the Board of Commissioners approves the Sheriff's Office to purchase a Drone with the available funds from the North Carolina Department of Revenue Controlled Substances Tax (state excise tax). All voted in favor and the motion carried.

COUNTY MANAGER'S REPORT

Steve Wyatt recognized the birthday of Russ Birthday, tomorrow October 8, 2019.

Funding for Schools and BRCC will be included in the project update at the October 16th meeting, and is available online.

ADJOURN

Chairman Hawkins made the motion to adjourn at 7:15 p.m. All voted in favor and the motion carried.
