STATE OF NORTH CAROLINA
COUNTY OF HENDERSON

CANE CREEK WATER AND SEWER DISTRICT
JUNE 27, 2002

The Cane Creek Water and Sewer District Board met for a special called meeting at 7:00 p.m. in the auditorium at West Hendersonville High School, Hendersonville, North Carolina.

Those present were: Chairman Bill Moyer, Vice-Chair Marilyn Gordon, Commissioner Grady Hawkins, Commissioner Don Ward, Commissioner Charlie Messer, Assistant County Attorney Jennifer O. Jackson, Deputy Clerk to the Board Amy R. Brantley, County Engineer Gary Tweed and Utilities Director Jim Erwin.

CALL TO ORDER/WELCOME

Chairman Moyer called the meeting to order and welcomed those in attendance, stating that the Public Hearing was being held to give citizens an opportunity to comment on the proposed annexation into the Cane Creek Water and Sewer District.

Chairman Moyer made the motion to go into public hearing to consider the expansion of the Cane Creek Water & Sewer District. All voted in favor and the motion carried .

PUBLIC HEARING TO CONSIDER THE EXTENSION OF THE CANE CREEK WATER AND SEWER DISTRICT

Gary Tweed presented the map of the proposed new boundaries. He stated that there are no projects planned at this time, but it sets up a governing body to control future projects. He stated that the district does have the ability to tax, but has never done so. The district is funded by those who pay to be connected to the system.

Jennifer Jackson explained that the Board had been presented with a proposal to extend the boundaries of the Cane Creek Water and Sewer District in accordance with NCGS 162A-87.1. The Cane Creek Water and Sewer District was first established by the Board of Commissioners on February 26, 1981 as a county water and sewer district. The boundaries of the District were expanded in 1994 and again in 2000. The proposed extension of the District that is the subject of this hearing would include approximately 7,333 properties in the north-central area of Henderson County. The Town of Fletcher had reviewed this proposed extension and, as evidenced by a resolution adopted on April 8, 2002, supported the proposed expansion of the boundaries. If approved at this meeting, the expansion of the District would become effective July 1, 2002.

In light of the proposal and in accordance with law the Board approved a Report, directed that the Report be filed with the Clerk, scheduled a public hearing for tonight at 7:00 p.m., and directed Staff to proceed with the annexation process. In accordance with the Board's direction and applicable law, the County Engineer filed the required Report with the Clerk on April 22, 2002 and caused the Notice of Public Hearing to be published in the Times-News on June 13, 2002. This report is attached as a part of these minutes. On May 15, 2002, letters were mailed to all properties that would be affected by the proposed expansion. Ms. Jackson filed with the Clerk at this meeting a Certificate of Mailing and an Affidavit of Publication, attached hereto and incorporated as a part of the minutes.

She explained that the Board of Commissioners can establish and expand a district, but that they also serve as the Cane Creek Water and Sewer District Board of Directors. Tonight's hearing will

be held with the Board sitting in both roles.

Commissioner Hawkins stated that he did not believe it had been publicly stated that the district could be a taxing district. He was concerned that the people understand that the tax was a possibility. Mr. Tweed stated that he had mentioned the possibility of a tax levy, but again stated that the option had never been used. All past projects had been completed without a tax levy with the assistance of grants, loans and user fees.

Mr. Tweed showed a slide of the Master Plan for sewer projects. We are currently working on a line in Mills River. If that project is successful we would proceed to build an interceptor line up Highway 25.

Chairman Moyer made the motion to go into Cane Creek Water & Sewer District. All voted in favor and the motion carried.

Public Input

There was no additional input. (See BOC Minutes for June 27, 2002.)

Action

Commissioner Hawkins made the motion to adopt the resolution to extend the boundaries of the Cane Creek Water and Sewer District. He also reminded the audience about the Possible tax levy power of a future Board of Commissioners.

Chairman Moyer stated that the first thing that has to happen to implement a long range plan is to establish the boundaries. That is all that is being done with this plan.

Commissioner Gordon emphasized that the expansion in Mills River has been funded in part by a grant, and is being eagerly looked forward to. She expected the users to be able to support the system.

Commissioner Hawkins asked Ms. Jackson if this would essentially establish a franchise to protect and assist the residents of Henderson County. Ms. Jackson explained that would indeed be the case.

Commissioner Messer asked Mr. Tweed to explain the hookup fees. Mr. Tweed answered that hookup fees vary depending on the size of the house, but average about \$900.

A vote was taken on the above motion. All voted in favor and the motion carried.

Adjourn

Chairman Moyer made the motion to go out of Cane Creek Water & Sewer District. All voted in favor and the motion carried.

**STATEMENT REGARDING COMPLIANCE
WITH NCGS 162A-87.1**

Henderson County staff is requesting that the Henderson County Board of Commissioners and the Henderson County Cane Creek Water and Sewer District Board extend the boundaries of the District to include approximately 7,400 properties which are within a boundary described on the attached written description.

The area to be included meets the standards and requirements established in subsection (a) of the North Carolina General Statutes Section 162A-87.1. Said subsection (a) states as follows:

... "(a) Standards- The Board of Commissioners may by resolution, annex territory to any water and sewer district upon a finding that:

- (1) The area to be annexed is contiguous to the district, with at least one eighth of the area's aggregate external boundary coincident with the existing boundary of the district;
- (2) The residents of the territory to be annexed will benefit from the annexation; and
- (3) It is economically feasible to provide the proposed service and services in the annexed district without unreasonable or burdensome annual tax levies"....

The Town of Fletcher, by adoption of a resolution by its Town Council on April 8, 2002, has consented and agreed to the annexation of the area that is within its municipal boundaries into the Cane Creek Water and Sewer District as proposed.

Current through 2001 Regular Session

§ 162A-87.1 Extension of water and sewer districts

(a) Standards.--The board of commissioners may, by resolution, annex territory to any water and sewer district upon a finding that:

(1) The area to be annexed is contiguous to the district, with at least one eighth of the area's aggregate external boundary coincident with the existing boundary of the district;

(2) The residents of the territory to be annexed will benefit from the annexation; and

(3) It is economically feasible to provide the proposed service or services in the annexed district without unreasonable or burdensome annual tax levies.

(b) Annexation by Petition.--The board of commissioners may, by resolution, extend by annexation the boundaries of any water or sewer district when one hundred percent (100%) of the real property owners of the area to be annexed have petitioned the board for annexation to the water and sewer district.

(c) Annexation of Property within a City or Sanitary District.--Territory lying within the corporate limits of a city or sanitary district may not be annexed to a water and sewer district unless the governing body of the city or sanitary district agrees, by resolution, to the annexation.

(d) Report.--Before the public hearing required by subsection (e) of this section, the board of commissioners shall have prepared a report containing:

(1) A map of the water and sewer district and the adjacent territory, showing the present and proposed boundaries of the district; and

(2) A statement showing that the area to be annexed meets the standards and requirements established in subsections (a), (b), or (c) of this section.

The report shall be available for public inspection in the office of the clerk of the board of commissioners for at least two weeks before the date of the public hearing required by subsection (e) of this section.

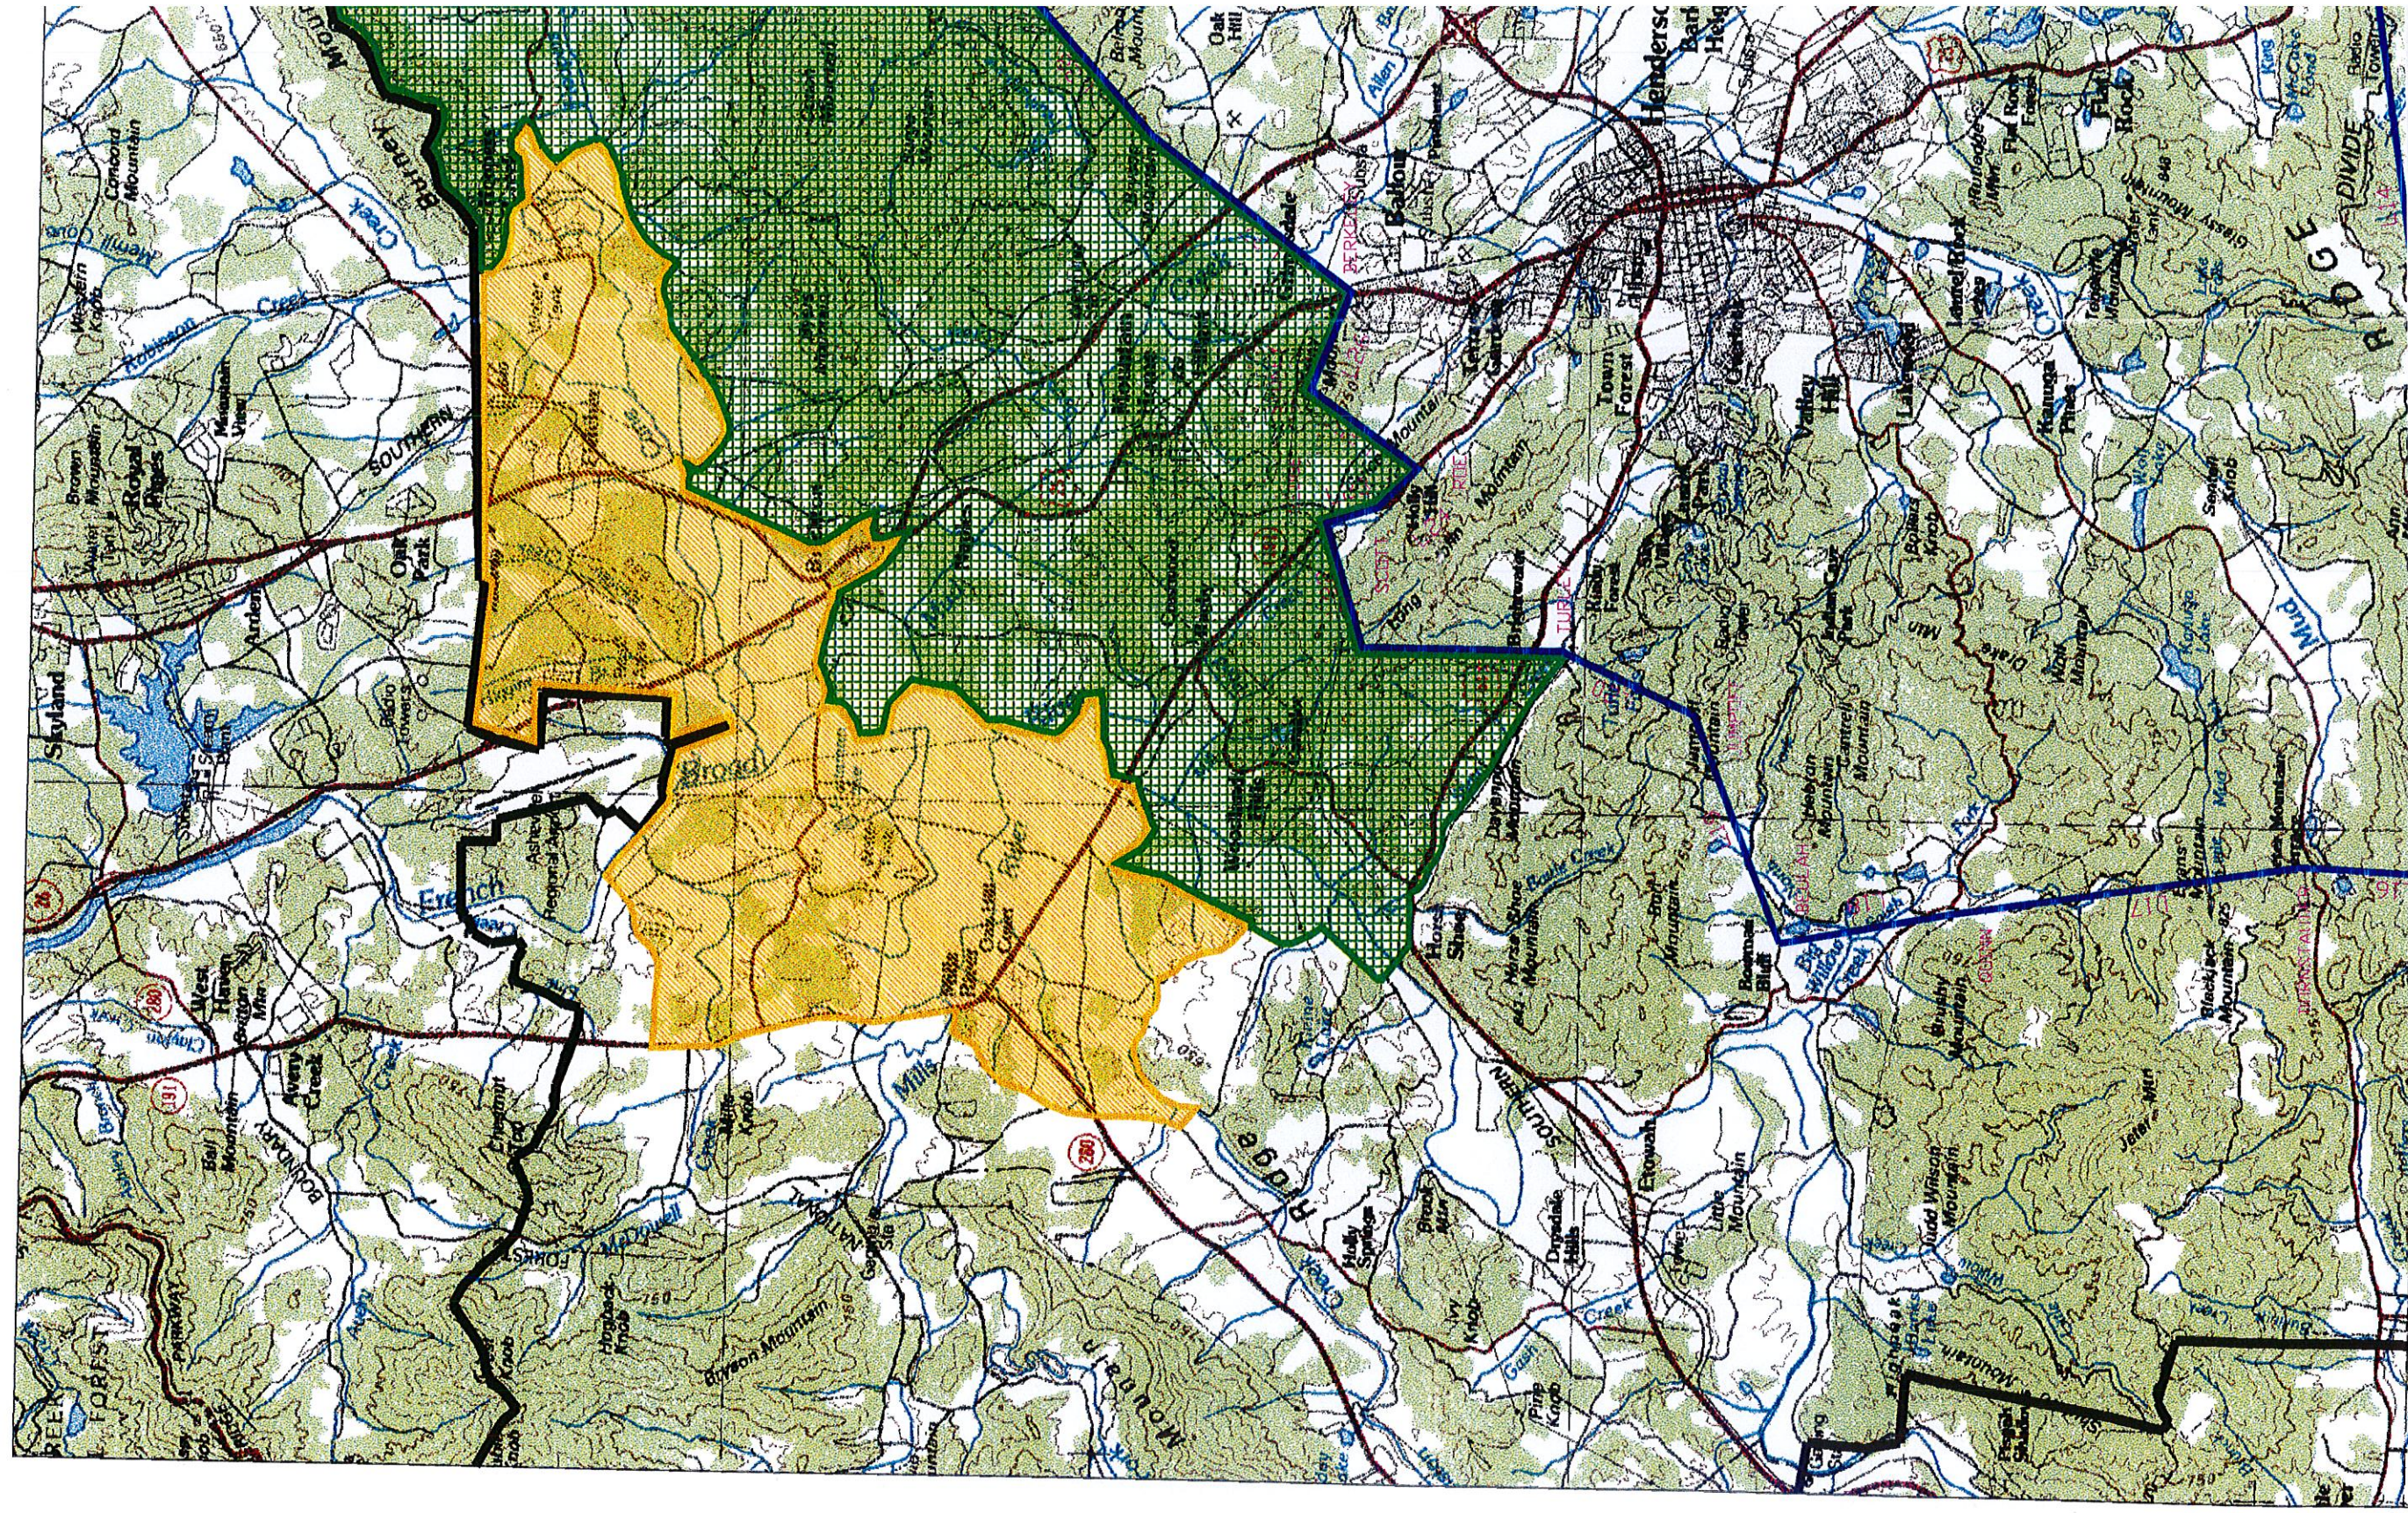

(e) Hearing and Notice.--The board of commissioners shall hold a public hearing before adopting any resolution extending the boundaries of a water and sewer district. Notice of the hearing shall state the date, hour, and place of the hearing and its subject, and shall include a statement that the report required by subsection (d) of this section is available for inspection in the office of the clerk of the board of commissioners. The notice shall be published at least once not less than one week before the date of the hearing. In addition, unless the hearing is because of a petition for annexation submitted under subsection (b) of this section, the notice shall be mailed, at least four weeks before the date of the hearing, to the owners, as shown by the county tax records as of the preceding January 1, of all property located within the area to be annexed. The notice may be mailed by any class of U.S. mail which is fully prepaid. The person designated by the board of commissioners to mail the notice shall certify to the board of commissioners that the mailing has been completed, and his certificate shall be conclusive in the absence of fraud.

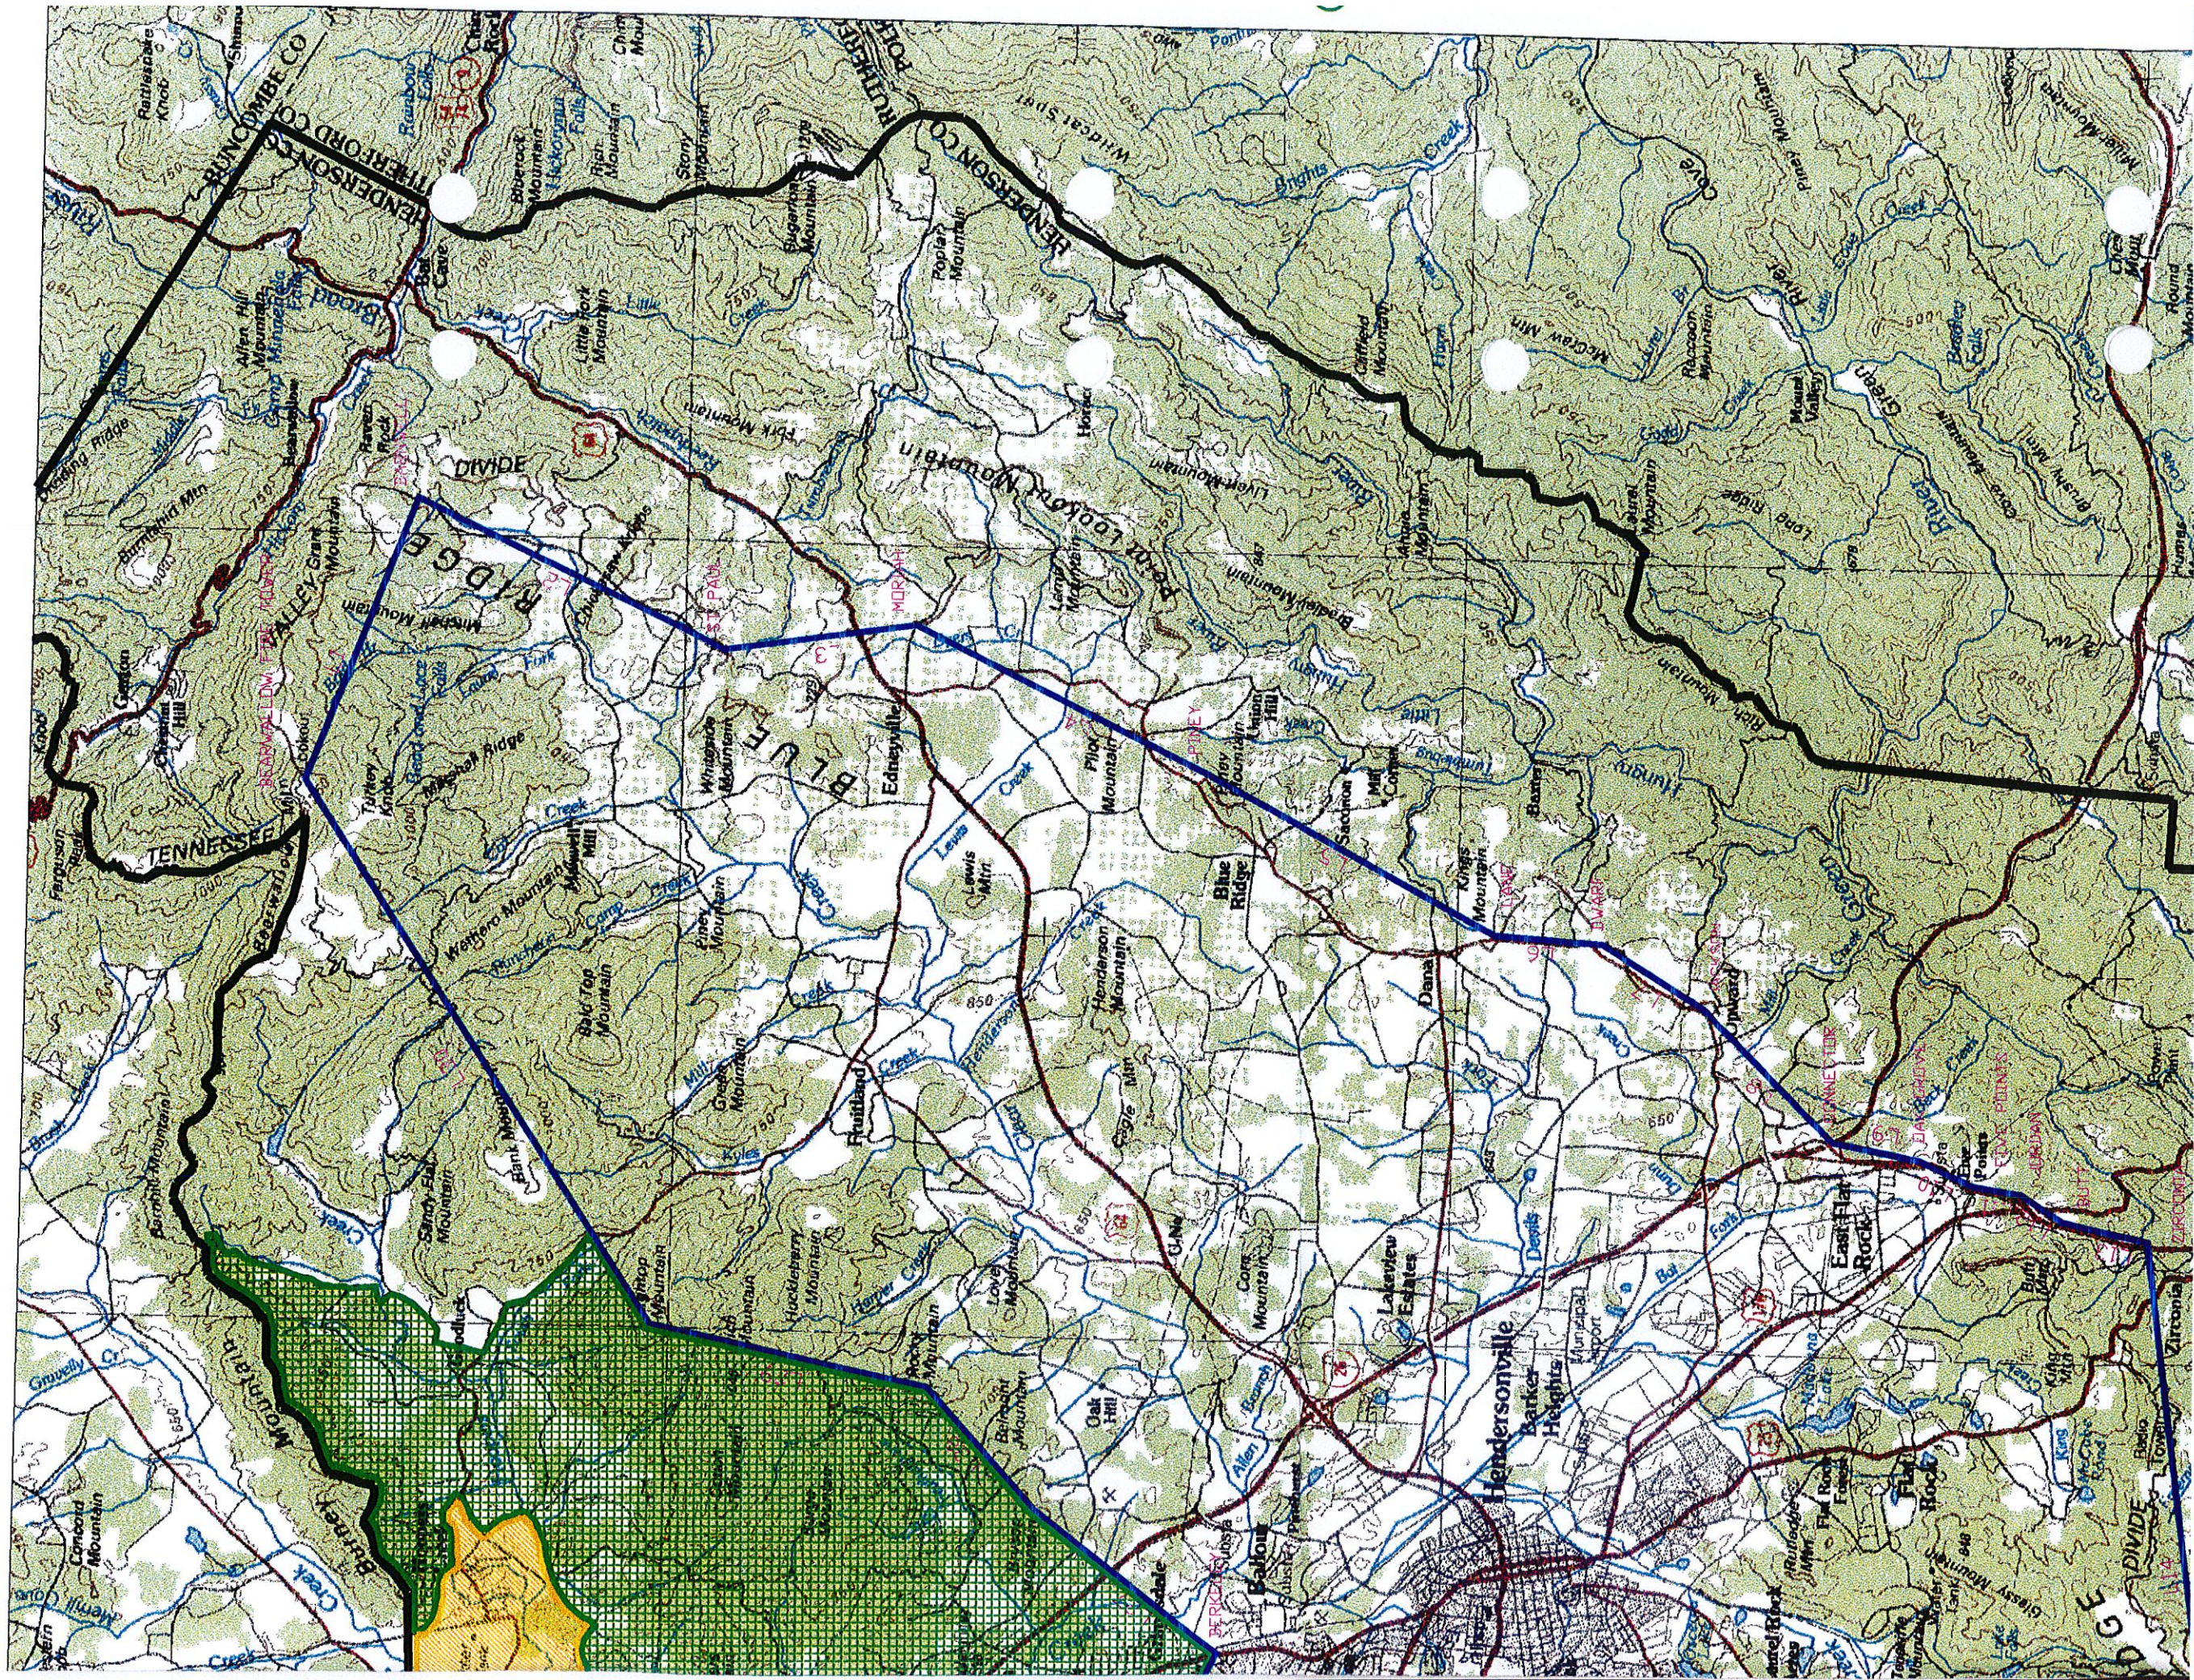

(f) Effective Date.--The resolution extending the boundaries of the district shall take effect at the beginning of a fiscal year commencing after its passage, as determined by the board of commissioners.

RESOLUTION TO EXTEND THE CORPORATE LIMITS OF THE CANE CREEK WATER AND SEWER DISTRICT OF HENDERSON COUNTY, NORTH CAROLINA

WHEREAS, the Henderson County Board of Commissioners has, under N.C.G.S. Section 162A-87.1, taken the prerequisite steps necessary to accomplish the extension of the District boundaries to include the area described herein in accordance with N.C.G.S. 162A-87.1; and

WHEREAS, a public hearing on the question of this extension of District boundaries was held in the Auditorium of the West Henderson High School located at 3600 Haywood Road, Hendersonville, NC, at 7:00 p.m. on the 27th day of June, 2002, after due notice by publication on the 13th day of June, 2002 and mailed notice to the affected properties; and

WHEREAS, as required by N.C.G.S. 162A-87.1(c) the Town of Fletcher adopted a resolution on April 8, 2002, consenting and agreeing to the annexation into the District of those areas within its municipal boundaries; and

WHEREAS, the Henderson County Board of Commissioners does hereby find as a fact that the area to be included within the District boundaries meets the requirements of N.C.G.S. Section 162A-87.1 Subsections (a)(1), (a)(2), (a)(3) and (c) and specifically finds as follows:

- (1) That the area to be annexed is contiguous to the district, with at least one-eighth of the area's aggregate external boundary coincident with the existing boundary of the district;
- (2) That the residents of the territory to be annexed will benefit from the annexation; and
- (3) That it is economically feasible to provide the proposed service or services in the annexed district without unreasonable or burdensome annual tax levies.

NOW, THEREFORE, BE IT RESOLVED by the Henderson County Board of Commissioners as follows:

Section I. By virtue of the authority granted by N.C.G.S. Section 162A-87.1, the boundaries of the Cane Creek Water and Sewer District are hereby extended to include the properties located with the boundary described below and all such properties are hereby annexed and made a part of the Cane Creek Water and Sewer District as of the first day of July, 2002:

Beginning at a point located at the intersection of the southern margin of Banner Farm Road (SR 1331) and the eastern margin of Ladson Road (SR 1314), said beginning point also being the southernmost point in the existing

Cane Creek Water and Sewer District boundary; thence, along and with the southeastern boundary of the existing Cane Creek Water and Sewer District and following the eastern margin of Ladson Road (SR 1314) in a northeasterly direction approximately 5,808 feet to the intersection of the eastern margin of Ladson Road (SR 1314) and the center line of Boylston Creek; thence, following the center line of the aforesaid creek in an easterly direction approximately 3,650 feet to the confluence of Boylston Creek and the French Broad River; thence, following the center line of the French Broad River in a northerly direction, approximately 400 feet to a point located at the intersection of the French Broad River and N.C.
