## STATE OF NORTH CAROLINA COUNTY OF HENDERSON

## BOARD OF COMMISSIONERS WEDNESDAY, NOVEMBER 16, 2022

The Henderson County Board of Commissioners met for a regularly scheduled meeting at 1:30 p.m. in the Gymnasium at the Larry T. Justus Western Justice Academy located at 3971 Chimney Rock Road, Edneyville, NC 28727.

Those present were Chairman William Lapsley, Vice-Chair Rebecca McCall, Commissioner Mike Edney, Commissioner Daniel Andreotta, Commissioner David Hill, County Manager John Mitchell, Assistant County Manager Amy Brantley, and Attorney Russ Burrell.

Also present were: Director of Business and Community Development Christopher Todd, Finance Director Samantha Reynolds, Budget Manager/Internal Auditor Sonya Flynn, Budget Analyst Jennifer Miranda,, Engineer Marcus Jones, Planning Director Autumn Radcliff, Senior Planner Janna Bianculli, Capital Projects Manager Bryan Rhodes, Emergency Management/Rescue Coordinator Jimmy Brissie, Assistant Engineer Deb Johnston, Information Technology Director Mark Seelenbacher, Infrastructure Manager Mike McKinney, Chief Deputy Vanesa Gilbert, Agribusiness Director Mark Williams, Facility Services Director Andrew Griffin, Human Resources Director Karen Ensley, Assistant Tax Assessor Kevin Hensley and PIO Kathy Finotti – videotaping. Deputy Carl Greco provided security.

## CALL TO ORDER/WELCOME

Chairman Lapsley called the meeting to order and welcomed all in attendance.

### **INVOCATION**

Pastor Bryan Melton, with Mount Moriah Baptist Church, provided the invocation.

## PLEDGE OF ALLEGIANCE

Chairman Lapsley led the Pledge of Allegiance to the American Flag.

## **INFORMAL PUBLIC COMMENT**

- 1. Kenny Barnwell Spoke in favor of running sewer to Edneyville.
- 2. Linda Pryor Spoke in opposition to running sewer in Edneyville until a solid plan is in place to protect the community.
- 3. Nora Stepp Spoke in opposition to running sewer in Edneyville.
- 4. Dennis Justice Spoke in favor of using more existing parks and recreation for the community and acquiring available property for more recreation opportunities.
- 5. Isaac Jones Spoke in opposition to running sewer in Edneyville.
- 6. Fred Pittillo Spoke in thanks to the Board for allowing the community to participate in the planning process for the community.

## 2045 COMPREHENSIVE PLAN PUBLIC INPUT

- 1. Enrique Sanchez Thanked the Board of the transparent process used in the 2045 Comprehensive Plan. He noted the lack of an implementation section noting the timeline and responsibilities, without which the plan is just a list of recommendations.
- 2. Jeff Jennings Spoke in favor of the goals of the plans. He expressed concerns about high-capacity sewer and unplanned sprawl overwhelming the rural character of the county. He suggested the City and County work together and consider a bond to purchase future development rights.
- 3. Kenny Barnwell Spoke in favor of density being targeted closer to town, near the line where gravity sewer would need to change to forced main sewer, and the use of zoning to control growth.
- 4. Louise Harvey Thanked the Board for supporting Operation Green Light. She stated that despite zoning, special use permit applications will harm the community.
- 5. Martha Huggins Stated she welcomed well planned development, but was concerned about overdevelopment, especially with respect to traffic. She spoke in opposition to running sewer in Edneyville, and the creation of high-density development.
- 6. Stan Rhodes Spoke in favor of preserving farming and our farmers.

## DISCUSSION/ADJUSTMENT OF AGENDA

## Public Records Disposal Request – Register of Deeds

Staff requested approval from the Board to destroy all records listed on the Public Records Disposal Request and Destruction Log that was provided in accordance with the County's Records Retention Policy and the provisions of the N.C. Department of Cultural Resources Retention and Disposition Schedule for Local Government Agencies and the Register of Deeds as the period for retention of these records has expired.

Motion:

I move the Board of Commissioners approve the Public Records Disposal Request and Destruction Log submitted by the Register of Deeds.

## 2022.144 SRO Reimbursement

Sheriff Lowell Griffin negotiated with City of Hendersonville personnel and reached an agreement regarding school resource officers in the public schools located within the City of Hendersonville. (Agreement is attached to these minutes).

Motion:

I move that the Board approve the proposed memorandum of the agreement that was provided for this agenda item.

## Vaya Health – Quarterly Fiscal Monitoring Report (FMR) for the Quarter Ended September 30, 2022

N.C.G.S. 122C-117(c) requires staff of the local area mental health authority provides the County Finance Officer with the quarterly Fiscal Monitoring Report (FMR) within 30 days of the end of the quarter. The County Finance Officer is then required to provide the FMR to the Board of Commissioners at the next regularly scheduled meeting of the board. The FMR for Vaya Health was received by the County Finance Officer on November 2, 2022. (FMR is attached to these minutes).

Motion:

I move that the Board of Commissioners approve the September 30, 2022, American Rescue Plan approved projects as presented.

## 2022.145 Set Public Hearing for 2045 Comprehensive Plan

The Board of Commissioners received a copy of the revised draft 2045 Comprehensive Plan, and a copy of this plan was posted on the county website for public review. The draft includes edits that have been discussed and approved by the Planning Board. Staff anticipates that the Planning Board will make a formal recommendation at its November meeting.

Motion:

*I move that the Board schedule a public hearing on the draft 2045 Comprehensive Plan for Monday, December 5, 2022, at 5:30 p.m.* 

## **Not-for-Profit Audit Approval**

At the Board's June 15, 2022 meeting, the Board directed Staff to conduct audits of four (4) not-for-profit agencies which had been allocated funding in the FY2023 Budget and to withhold allocation of funds pending a satisfactory audit. To allow Staff time to conduct those audits and to avoid creating any financial hardship to the agencies, the Board approved the funding agreements along with an addendum which allowed for the release of one-fourth  $(1/4^{th})$  of the contribution set out in the Budget Ordinance. Subsequent payments would remain pending satisfactory audit results.

The audit for The Mediation Center has now been completed and deemed satisfactory. Staff requested that the Board authorize the release of the remaining three (3) funding allotments for FY23 during the appropriate fiscal quarter.

Motion:

*I move the Board authorize the release of the three (3) remaining quarterly allotments to the Mediation Center at the appropriate time during the fiscal year.* 

## 2022.146 NC Department of Public Safety – State Budget Allocation – SL2021-180

Staff requested the Board approve a budget amendment for a State Budget allocation to Henderson County in the amount of \$1,950,000. This allocation was made as directed by the NC General Assembly pursuant to Session Law 2021-180 (House Bill-105) for the Bat Fork and French Broad stream restoration and flood resilience projects. Once approved, the funds will be expended in accordance with the Board's approval and disbursed appropriately to Conserving Carolina as per Subgrant Agreements approved by the Board and executed in May 2022. This budget allocation will pass through Henderson County to Conserving Carolina, with a 2.5% administration fee held back by Henderson County.

Motion:

*I move the Board approve the Budget Amendment for the NC Department of Public Safety State Budget Allocation to Henderson County.* 

## FY2023 Fee Schedule Revision – Athletics and Activity Center

The Board of Commissioners was requested to approve a revision to the FY 2023 Fee Schedule, changing the price for use of the classrooms at the Athletics and Activity Center. This price had previously been set at \$10.00 per hour. Staff requests that the new price of \$1.00 for a half-day rental be adopted to better accommodate use by community groups.

Motion:

I move the Board of Commissioners amend the FY 2023 Fee Schedule as proposed.

## **Option on East Flat Rock Property**

Henderson County was presented with an offer to purchase a parcel of land identified as PIN 9587046291. The parcel is located within the East Flat Rock area of the community adjacent to East Flat Rock Park. The parcel has an accessed acreage of 13.5 acres. The proposed sale price is \$425,000, with a due diligence fee of \$15,000 and an initial earnest money deposit of \$15,000.

Motion:

I move that the Board accept the proposed purchase document and direct Staff to execute the necessary contract.

## **Facility Use Policy Exemption – Special Needs Sports**

The County received an application from Special Needs Sports to use the Historic Courthouse lawn on Saturday, December  $10^{\text{th}}$ , 2022, from 10:00 am – 2:00 pm for a Special Needs Craft Fair.

To allow for this use on County grounds, the Board was requested to grant a one-time exemption to rule #4 of the County Facility Use Policy, which prohibits solicitation on the grounds. This exemption, if granted, would cover the date and time specified on the application and outlined above.

## Motion:

I move that the Board grant an exemption to the County Facility Use Policy for Special Needs Sports, allowing for the sale of arts and crafts on the Historic Courthouse lawn, or within the Courthouse if necessary, on Saturday, December  $10^{th}$ , 2022, from 10:00 am - 2:00 pm.

## PUBLIC HEARING 2022.148 Public Hearing to Consider Proposed Right of Way Closure (Portion of Furniture Drive)

Chairman Lapsley made the motion to go into public hearing. All voted in favor, and the motion carried.

Planning and Property Addressing staff received a petition to close a portion of Furniture Drive right-ofway. Under North Carolina General Statute (NCGS) 153A-241, counties have the power to close any public road or easement, not within a city, except public roads or easements for public roads under the control of the Department of Transportation. To close any road, the Board must:

- Vote to adopt a resolution declaring its intent to close the public road or easement.
- Call and notice a public hearing on closing the road or easement, with notice "reasonably calculated to give full and fair disclosure of the proposed closing to be published once a week for three successive weeks before the hearing, a copy of the resolution to be sent by registered or certified mail to each owner as shown on the county tax records of property adjoining the public road or easement who did not join in the request to have the road or easement closed, and a notice of the closing and public hearing to be prominently posted in at least two places along the road or easement".
- Hold the public hearing, where the Board must "hear all interested persons who appear with respect to whether the closing would be detrimental to the public interest or to any individual property rights".
- Then, if the Board "is satisfied that closing the public road or easement is not contrary to the public interest and (in the case of a road) that no individual owning property in the vicinity of the road or in the subdivision in which it is located would thereby be deprived of reasonable means of ingress and egress to his property, the Board may adopt an order closing the road or easement."
- File a copy of the Board's order with the Register of Deeds.

Public Input: There was none.

*Chairman Lapsley made the motion to continue the public hearing to the next meeting. All voted in favor, and the motion carried.* 

## 2022.149 Public Hearing for Proposed Economic Development Incentives for Project Orange

Chairman Lapsley made the motion to go into public hearing. All voted in favor, and the motion carried.

A public hearing was scheduled for today's meeting at 1:30 p.m. regarding the request of Project Orange Company for economic development incentives.

Brittney Brady noted the project is an existing industry considering real estate expansion within the county and the purchase of new equipment. If the project is approved, then the company would make would invest \$55,700,000 over two years, comprised of approximately \$18,800,000 in real property and \$36,900,000 in business personal property. In addition to their current headcount of approximately 135, the project would create 30 jobs with an average wage between \$60,133. The total incentives would be \$1,377,255.

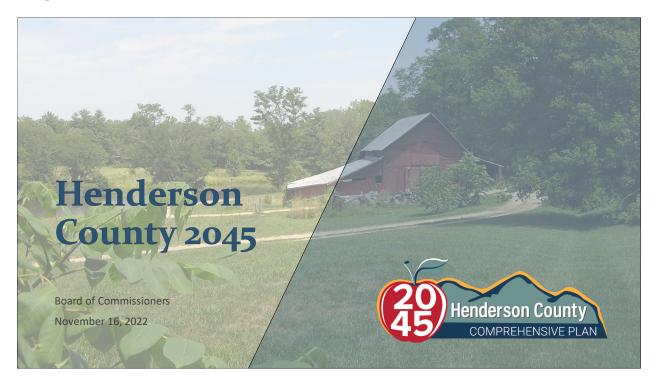

Public Input: There was none.

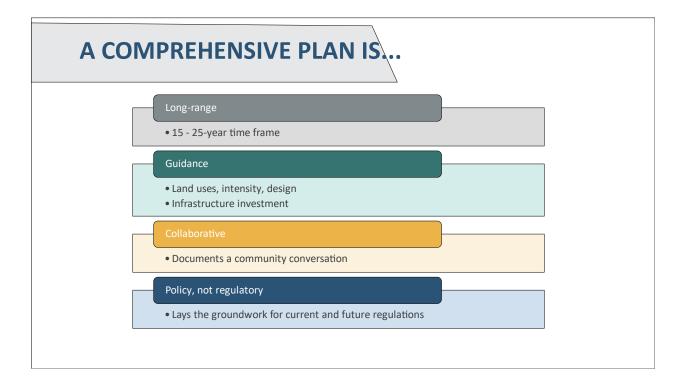

*Chairman Lapsley made the motion to continue the public hearing to the next meeting. All voted in favor, and the motion carried.* 

## DISCUSSION

## Henderson County 2045 Comprehensive Plan

Autumn Radcliff and Janna Bianculli provided the Board with an update on the Henderson County 2045 Comprehensive Plan.

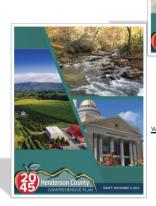

Approved: December 5, 2022

## **PROCESS TIMELINE**

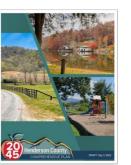

- September 8th: Draft plan presented to Steering Committee at Special Called Meeting and copies were provided to the BOC
- September 13th: Public Input Meeting at Hendersonville Library
- September 20th: Public Input Meeting at Fletcher Library
- September 26th: Public Input Meeting at Edneyville Community Center
- September 27th: Public Input Meeting at Blue Ridge Community College
- October 3rd: Public Input Meeting at Etowah Lions Club
- **Ongoing:** Recorded presentation posted online as well as other virtual public input opportunities

Available to view online at www.HendersonCounty2045.com

## **PROCESS TIMELINE**

- September 22<sup>nd</sup>: Steering Committee received public comment and considered changes to the proposed USA boundary
- October 20<sup>th</sup>: Steering Committee voted to rename the USA to Utility Service Area. They also voted to shrink the size of the Etowah USA boundary based upon public feedback. The Etowah community members that participated concurred with retaining an overall USA boundary
- October 27th: The Steering Committee discussed and changed the Character Areas as well as the Future Land Use Map
- November 4<sup>th</sup>: The revised draft with the Planning Board's approved edits was posted online and given to the Commissioners and the Planning Board

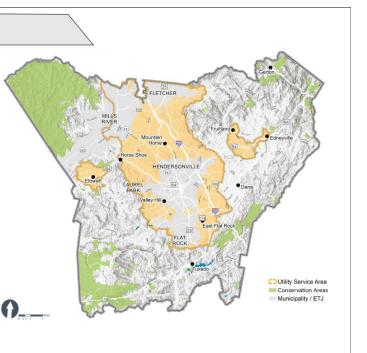

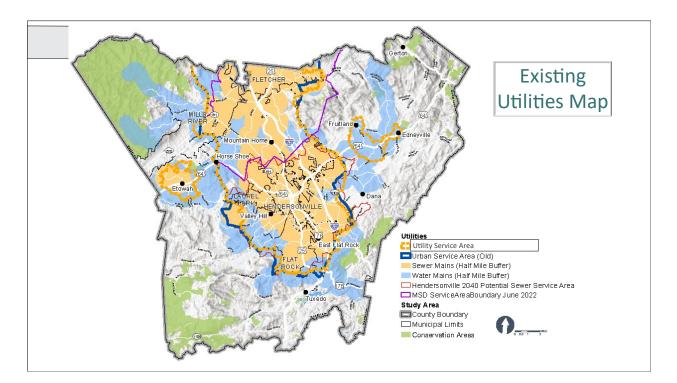

Available to view online at www.HendersonCounty2045.com

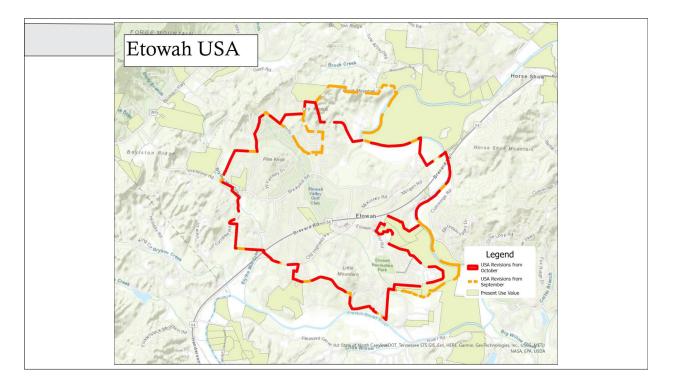

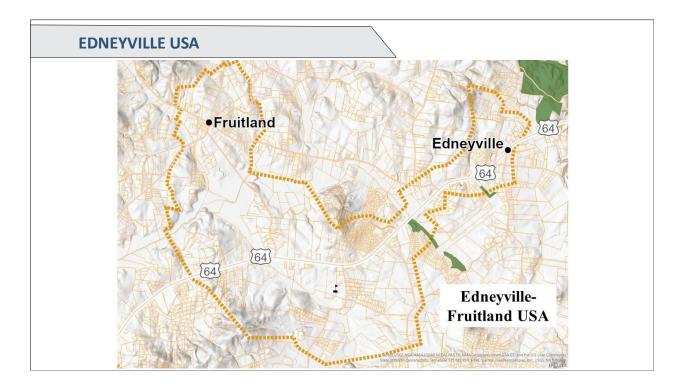

## **UTILITY SERVICE AREA**

- Represents an area already, and intended to be, served by utilities and other services by 2045.
- Accounts for the existing services <u>as well as</u> the relative feasibility of sewer extension from sewer providers (City of Hendersonville, MSD, Etowah, and proposed Edneyville).
- Although the County participates in an advisory capacity to MSD and communicates with other service providers, the County does not have any control regarding the extension of water or sewer from other entities.
- When the sewer line is built at the Justice Academy and Edneyville Elementary, the County will be in control of extension and maintenance of those lines.
- Utility extensions and service enhancements should generally be encouraged within the Utility Service Area.
- The Etowah and Edneyville areas will be reexamined as the sewer situations change.

## FUTURE LAND USE

- Character Areas are NOT the same as zoning districts
- One character area may represent more than one zoning district
- Thorough discussion will be required when reviewing zoning and ordinance amendments to the Land Development Code
- The Comprehensive Plan is a high-level document and the wording in it should be treated as such

## FUTURE LAND USE CHARACTER AREAS

#### AR **AGRICULTURE / RURAL**

Agriculture/Rural areas are important for their ability to support diverse agricultural activities. Development in these areas should be uses that do not interfere with agricultural production or drastically change the rural landscape. There are also areas that are significantly constrained due to steep spleze, few road networks, and limited cellular service. Forestry management, agriculture, very low density residential, outdoor recreation, and tourism are expected uses in these areas. Where, in a draund concentrations of working

Where: In and around concentrations of working agricultural lands. Also includes areas in and around conservation areas, steep mountain ridges and on the edges of the County Hages and on the eleges of the County family residential, outdoor recreation/tourism, and agriculture of all types including row crops, orchards, greenhouses, production and distribution facilities, agritourism operations, and some rural businesses

Utility Access: Varies Density: The majority of the areas will have a maximum allowable density of 1 unit per 1 acre and the environmentally sensitive areas will have a maximum allowable density of 1 unit per 5 acres (gross density)

## **OSC** OPEN SPACE AND CONSERVATION

Open Space and Conservation areas include protected areas like state and federal lands, parks, and properties with conservation easements. This designation alims to protect sensitive ecological areas as well as facilitate compatible uses like outdoor necreation (including camps) and forestry.

Where: Remote area of the County, parks and large conservation easements Uses: Conservation, outdoor recreation, for-estry, agriculture Utility Access: None

#### TA TRANSITIONAL AREA

Transitional Area encompasses residential areas of limited density. Conservation subdivisions should be encouraged in these areas to provide and protect open space. Where: Outside the core of the Utility Service Area and working agricultural lands Uses: Single family residential, potentially some appropriately sized multifamily as part of planned developments, agricultural uses

Utility Access: Varies Density: The maximum allowable density range is 2 to 4 units per 1 acre (gross density)

### FUTURE LAND USE CHARACTER AREAS

#### IA **INFILL AREA**

Infill Area consists of residentially focused areas that include a mix of housing types inside subdivisions and planned developments. These areas should have an improved transportation network and accommodate a variety of home options. Universid design that allows aging-in-place should be encouraged where appropriate.

Where: Found near existing municipalities and existing development. Inside the defined Utility Service Area Uses: A mix of types, including single family, townhomes, and apartments where appropri iate

Utility Access: Served by utilities Density: The maximum allowable density range is 8 to 14 units per 1 acre (gross density)

#### NA NEIGHBORHOOD ANCHOR

Neighborhood Anchors are small concentrations of commercial, residential, and ciric uses in more rural areas centered around structural anchors like schools, churches, and/or crossroads. These areas typically follow a development pattern where commercial uses are clustered directly adjacent to a crossroads, surround-ed by residential development and agricultural uses. Developments that accommodate the ability to live, work, and play without commuting, are encouraged here. Where: Typically found at intersections of State Roads or thoroughheres. Uses: Small services and retail, churches, fuel stations, scale multi-family Utility Access; Utilities are typically not necessary due to

Utility Access: Utilities are typically not necessary due to the small-scale of development, but may be neces-sary for some development types

## CC **COMMUNITY CENTER** Community Centers are larger commercial nodes that serve broader geographic areas than Neighborhood Anchors. These areas typically have a high concentration of nonresidentia uses and commercial services that at contribute to the tax base. Mixed-use development is also vide comprecise usily to older multi-story units that pro-vide comprecise on the bottom and residential units or office space above.

Where: Typically found at intersections of State Roads or thoroughfares in areas with more residential

development

Uses: Medium to large-scale retail, services, restaurants, some offices, businesses, light industry and institutional uses. Mix of housing including single-family homes, townhomes and apartments

Utility Access: Typically served by water and potentially

#### EI EMPLOYMENT AND INDUSTRY

Employment and Industry areas offer job-gener-ation, site-ready parks, accessible road networks, and utilities. Industries come in many different forms including manufacturing, agriculture, distri-bution, office, research and development (fk2D), etc. The design of development sites in these areas should be talioned to be compatible with other earby uses.

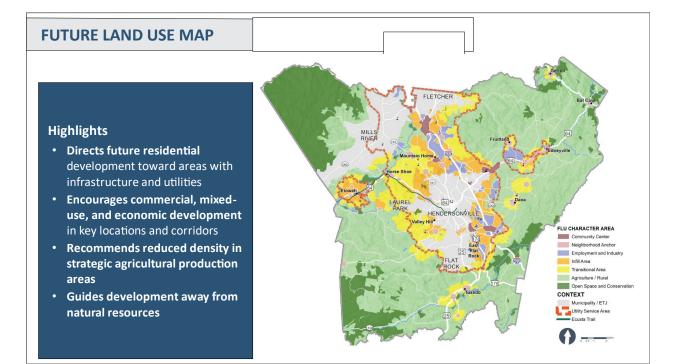

Where: Strategic areas with highway and utility access, large available parcels

Uses: Agricultural uses including processing facilities and large-scale greenhouses, office and light-to-heavy industrial, as appropriate Utility Access: The majority of these areas will be served by utilities

or IL

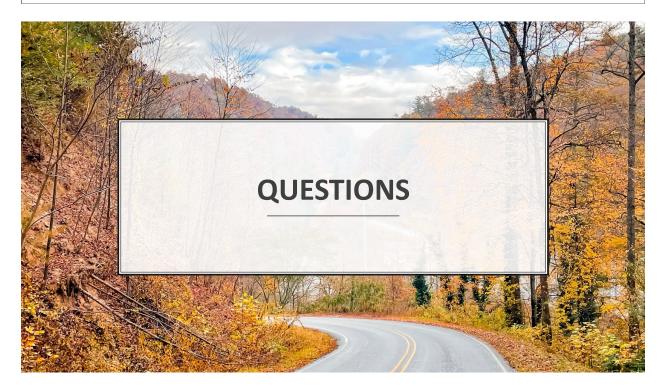

## **NEXT STEPS**

- November 17<sup>th</sup>: Planning Board will review revised plan and will likely recommend the plan for adoption.
- **December/January:** New 2045 Comprehensive Plan will officially replace the existing 2020 plan.

## **Following Plan Adoption:**

- January April: Planning Board works through the Implementation Plan.
  - Will provide a framework to implement recommendations and action steps
  - Some items are more easily implemented, some items will take several months or years to implement
  - Determine priority actions in the next 1-5 and 1-10 years
  - Implementation Plan will be a living document that is supplemental to the Adopted Plan
  - The Implementation Plan is intended to be consistent with the County's 4year budget plan
  - The plan should be reviewed frequently and modified as necessary

Autumn Radcliff spoke to the implementation plan that had been mentioned during public comments. She noted that the plan would include an implementation plan, that staff would be working on as an addendum.

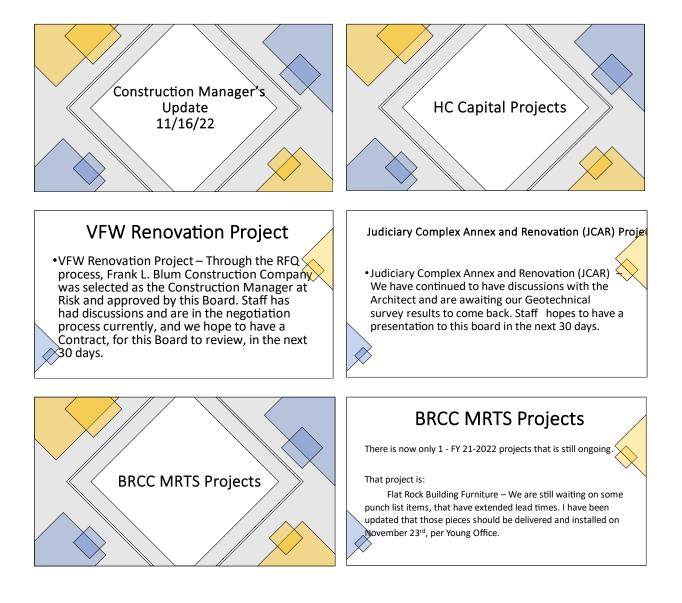

Commissioner Edney discussed the balance between growth and preservation, given a predicted 25% increase in population by 2045. Staff noted there are a number of interesting tools included in the plan for those farmers who wish to preserve their land for farming. Chairman Lapsley also noted that the Comprehensive Plan is a high-level document for where growth is expected or planned, but the Land Development code and zoning maps are what really drive where development happens.

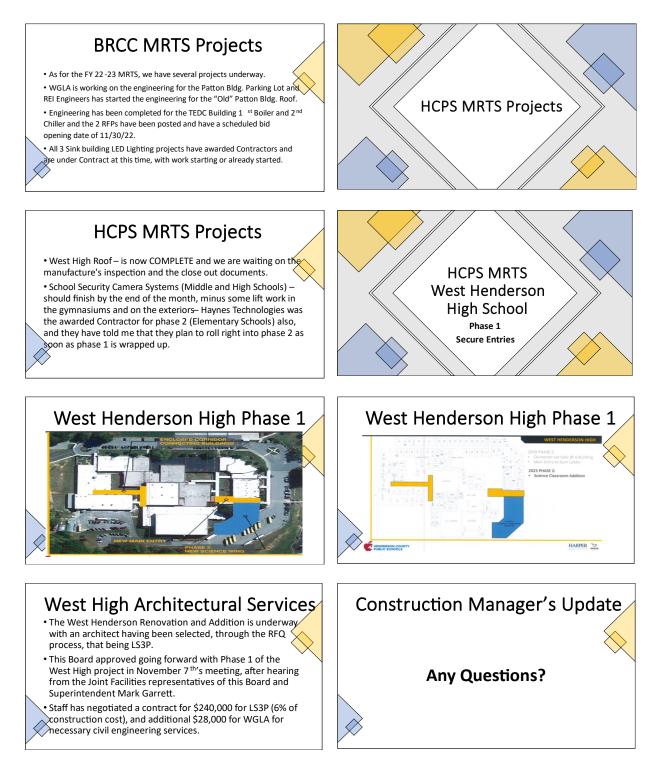

Chairman Lapsley noted that at the Planning Board's meeting scheduled for November 17<sup>th</sup>, the Planning Board is anticipated to vote to forward the draft plan onto the Board of Commissioners. The Board will hold a public hearing on the plan at the December 5, 2022 meeting, and adoption can then take place thereafter.

## **Construction Project Updates**

Marcus Jones updated the Board on the progress of the sewer project for the Edneyville Community. He noted that we are considering a sewer line with a separate discharge plant. The last six months has been spent drafting an environmental assessment which has been sent to the state. The state has replied with comments and staff is currently drafting a response to those comments. A public hearing will be scheduled in the coming months. A formal application process will be undertaken to obtain a discharge permit, which is anticipated to be granted by December 2023. The project is currently on schedule.

Bryan Rhodes and Chris Todd provided the Board with an update on construction projects around Henderson County. The monthly report was a review of the scope and statuses of assigned construction management responsibilities.

The Architect contracts for the Henderson County Public Schools MRTS Projects were briefly discussed and will be brought back to the Board at the next meeting.

## 2022.150 Adoption of the 2023 Reappraisal Schedules of Values

At the Board's meeting on October 3, 2022, Darlene Burgess, Tax Administrator, presented for the Board's consideration the proposed 2023 Schedules of Values for Market Value and for Present Use Value. At the Board's meeting on November 7, 2022, the public hearing on the Schedules of Values was held.
