REQUEST FOR BOARD ACTION

HENDERSON COUNTY BOARD OF COMMISSIONERS

MEETING DATE: July 19, 2023

SUBJECT: Construction Project Update

PRESENTER: Christopher Todd, Business and Community Development Director

Bryan Rhodes, Capital Projects Manager

ATTACHMENTS: Yes

1. Cover Letter from Blum

2. GMP

3. VFW Budget Amendment

SUMMARY OF REQUEST:

Christopher Todd will provide the Board of Commissioners with an update on construction projects around Henderson County. This monthly report is a review of the scope and statuses of assigned construction management responsibilities and includes specific updates in regard to County funded construction activities.

As part of the update Mr. Todd will overview the VFW building renovation guaranteed maximum price (GMP). Requests for proposals were properly advertised according to North Carolina General Statute, and bids were opened on June 20, 2023. The total cost of the work is \$4,682,261. This number is within the total approved budget. The groundbreaking ceremony for the project is scheduled for July 25th pending the board's approval of the GMP.

BOARD ACTION REQUESTED:

Accept Guaranteed Maximum Price and direct staff to continue the project.

SUGGESTED MOTION:

I move to accept the Guaranteed Maximum Price and direct staff to continue the project.

Henderson County VFW Renovation

GMP Deliverable

July 13, 2023

Bryan Rhodes Capital Projects Manager Henderson County 100 N. King Street, Suite 206 Hendersonville, NC 28792

RE: Henderson County VFW Renovation - #236001 Construction Document Deliverable

Dear Bryan,

We are pleased to provide this Final GMP Deliverable for the Hendersonville VFW Renovation project. The deliverable includes a Scope of Work, Estimate, Project Schedule, Project Logistics Plan, and Drawing Log.

Construction Document Budget: \$4,682,261

We appreciate the opportunity to provide you with this information and look forward to further conversations on this project. Please contact us with any questions or comments during your review of this proposal.

Sincerely,

Will Smelcer

Site Logistics - 4

Drawing Log - 5

B

Henderson County VFW Renovation Final GMP Scope of Work July 10, 2023

Documents Reviewed:

See attached Drawing Log

Division 01 – General Conditions

- Anticipated 12-month construction duration once materials are available
- Supervision
- Project management
- Building permit
- Builder's Risk Insurance
- Payment and Performance Bond

Division 02 - Demolition

- Hazardous materials abatement per owner-provided Asbestos and Lead Paint Reports
- Remove existing flooring, ceiling and wall finishes, plumbing fixtures, and electrical items
- Remove existing doors, frames, exterior windows
- Salvage existing wood flooring material
- Remove existing exterior structures attached to the building as noted per plans
- Dumpsters/Disposal
- Continuous cleanup

Division 03 - Concrete

- Patch holes in concrete due to relocating plumbing piping
- New footings for steel columns per plans
- New elevator pit slab and sump pit
- Slab on grade infill at elevator walls

Division 04 – Masonry

- Repair brick veneer at building exterior walls
- Repair brick veneer at exterior knee walls
- CMU enclosure for elevator

Division 05 – Metals

- New metal pan stairs and landing at interior
- New steel HSS columns and beams at interior stairs
- New handrails at exterior stairs and walks

Division 06 – Wood & Plastics

- Repair wood roof deck in areas shown on drawing A130 (see Allowance)
- Wood framing at elevator opening in floor and roof
- Wood framing at roof opening for new HVAC equipment
- Wood blocking for door frames
- Replace wood blocking at Exterior Canopies

Division 07 – Thermal & Moisture Protection

- Fiber cement siding and soffit
- TPO roof system
- Firestopping per code
- Insulation at walls and ceiling where identified in documents
- Joint sealants

Division 08 – Doors & Frames

- Interior doors and frames
- Door hardware
- Aluminum storefront entrances
- Vinyl windows
- Fire rated windows

Division 09 – Finishes

- Drywall and metal framing partitions per plans
- · Acoustical ceiling per plans
- Hard tile at bathroom floors per finish schedule
- Wood flooring replacement at locations shown in multipurpose room
- Wood flooring refinishing per Alternate #3
- Painting interior and exterior of building

Division 10 – Specialties

- Bathroom accessories
- Fire extinguishers

Division 11 – Equipment

• Kitchen equipment connections only – equipment furnished by owner

Division 12 – Furnishings

 Includes Alternate #7: Owner to provide roller window shades in lieu of Contractor providing

Division 14 - Conveying Systems

 Includes Alternate #5: In lieu of Limited-Use/Limited-Application Elevator, provide Traction Elevator as specified in Section 14 21 23.16 - Machine Room-Less Electric Traction Passenger Elevator.

Division 21 – Fire Protection

New wet fire sprinkler system

Division 22 – Plumbing

- Rough-in for new plumbing fixtures
- Plumbing fixtures per the plans
- Includes Alternate #6: In lieu of cast iron plumbing piping, provide PVC piping.

Division 23 – Mechanical

- HVAC systems and equipment per plans
- New ductwork system per plans
- Temporary heat

Division 26 - Electrical

- New electrical service
- Furnish and install light fixtures as shown
- New circuitry, switches, receptacles
- Fire alarm panel
- Temporary power

Division 28 – Communications

Raceway and boxes only for data/AV

Division 31 – Earthwork

- Site fencing/screening
- Site demolition
- Survey/layout
- Cut/fill site

Division 32 – Site Improvements

- Asphalt paving
- Sidewalks and stairs
- New railings
- Curb and gutter

Division 33 – Site Utilities

- Sewer line
- Fire sprinkler water line
- Domestic water Line
- Storm sewer structures and pipe

Materials Lead Times:

- Electrical gear 8-10 months
- Wood doors and hardware 20 to 22 weeks
- Toilet accessories 8 to 12 weeks
- Light fixtures 8 to 12 weeks
- Tile in bathrooms 12 to 14 weeks
- Millwork 8 to 12 weeks
- Plumbing fixtures 8 to 12 weeks

Allowances:

- Allowance #1 \$7,290 Repair roof deck and framing at locations indicated on roof plan.
- Allowance #2 \$31,727 Repair framing of awnings for new soffits.
- Allowance #3 \$2,025 Repair brick knee walls at exterior stairs.
- Allowance #4 \$31,387 Patch and repoint brick veneer on building.
- Allowance #5 \$6,105 Repair concrete coping on parapet walls.
- Allowance #6 \$1,519 Repair concrete canopy.
- Allowance #7 \$5,063 Repair water intrusion at brick wall in room #107.
- Allowance #8 \$10,125 Patch and prep floor surfaces at lower level for new flooring.
- Allowance #9 \$20,000 Shoring and engineering for new elevator floor opening.

Alternates:

- Alternate 01 Install Storefront System In lieu of Vinyl Frames per Window Elevations (A through H) on A800 and Section 08 41 13 - Aluminum-Framed Entrances. ADD: \$99,161
- Alternate 02 Contractor-Provided Contractor-Installed Kitchen Equipment listed on Sheet A400 Kitchen Equipment Schedule. ADD: \$65,765
- Alternate 03 N/A, included in GMP scope/estimate.
- Alternate 04 Provide 24"X24" Acoustical Panel Ceiling In Multipurpose Room In Lieu Of Remaining Open To Structure Above. ADD: \$42,854

- <u>Alternate 05</u> N/A, included in GMP scope/estimate.
- Alternate 06 N/A, included in GMP scope/estimate.

•

Alternate 07 - N/A, included in GMP scope/estimate.

Exclusions:

- No other work outside of the listed above has been included.
- We have excluded third party testing of materials or geotechnical observations.
- Hazardous materials testing
- No other work outside of the listed above has been included.
- Signage
- Access control, card readers
- Fire pump
- Data cabling, devices and terminations assumes network integration and equipment by others (racks, wireless access points, etc.)
- Building management system
- Exterior building or ground signage
- Rock drilling and/or blasting.
- Ground Water Mitigation
- Unsuitable soils or rock removal and replacement
- Radon mitigation
- Elevator smoke curtains
- Office furniture
- Cubicles/workstations
- Flagpoles
- Artwork & graphics
- Emergency call boxes
- Impact fees and Tap fees, meter fees.
- Utility power fees, or primary underground
- Asbestos identification
- Existing concrete scanning
- Moisture barrier at existing SOG locations (New SOG areas include moisture barrier as detailed)
- Owner existing equipment/furniture/items to be salvaged or stored
- Underpinning of existing structures
- Soil improvements
- Factory mutual insurance requirements
- No moisture mitigation for existing concrete slab on grade
- Landscaping Plants, Trees, Grassing, Mulch
- Landscape irrigation system
- Kitchen equipment
