

## **REQUEST FOR BOARD ACTION**

### **HENDERSON COUNTY BOARD OF COMMISSIONERS**

**MEETING DATE:** October 2, 2023

**SUBJECT:** Fee Schedule Revision - Additional Vaccine Fees

**PRESENTER:** Steve Smith, Health Director

**ATTACHMENTS:** Yes

1. Detail of Additional Vaccine Fees FY 24

#### **SUMMARY OF REQUEST:**

The Henderson County Department of Public Health recently received information about two categories of vaccines and their cost that need to be incorporated within the public health fee schedule. The first category reflects the commercialization of COVID-19 vaccines (moving from government-supplied to private purchase) and the 2<sup>nd</sup> category represents the newly available respiratory syncytial virus (RSV) vaccines.

This information was presented to the Henderson County Board of Health at their September 12, 2023 meeting. The Board approved the proposed vaccine fees and for the matter to be forwarded to the Henderson County Board of Commissioners for consideration and final approval. These vaccine changes were anticipated for FY 24 and those estimated expenses and revenues are within the current budget.

#### **BOARD ACTION REQUESTED:**

The Board is requested to approve the additional vaccines fees for FY 24.

#### **Suggested Motion:**

*I move the Board approve the additional vaccine fees and for them to be incorporated within the FY 24 fee schedule.*
