

**HENDERSON COUNTY  
BOARD OF COMMISSIONERS**

**MEETING DATE:** July 16, 2025

**SUBJECT:** Sole Source of ESRI Small Municipal Government Enterprise Agreement (SEGA)

**PRESENTER:** Mark Seelenbacher, Director of Information Technology

**ATTACHMENTS:** Vendor Proposal  
Sole Source Letter from Vendor  
N.C.G.S. 143-129 (e)(6)

**SUMMARY OF REQUEST:**

The Board is requested to approve the attached proposal and authorize staff to procure software under the ESRI Small Municipal Government Enterprise Agreement (SEGA) via the sole source exceptions as allowed under N.C.G.S 143-129 (e)(6). As a sole source contract with County government, approval of this agreement by the Board of Commissioners is required.

The sole proposal was received from ESRI for a total contract price inclusive of tax of \$289,185.75. This contract is a 3-year contract billed annually in the amount of \$90,300. This agreement will allow for much greater flexibility with our existing infrastructure with respect to disaster response. We will be able to scale our existing infrastructure, add users, share information, and collaborate with external partners without the need to contact ESRI for additional licensing during an event. ESRI is the sole provider of this type of software, they are the leading provider of Geographic Information Systems across the world and are heavily used at all levels of government.

The funding for Year 1 of the contract was approved in the FY2026 technology budget, in the amount of \$90,300.

**BOARD ACTION REQUESTED:**

The Board is requested to accept the sole proposal from ESRI and authorize Henderson County staff to contract for ESRI Small Municipal Government Enterprise Agreement (SEGA) in the amount of \$289,185.75 inclusive of tax over the three-year contract period using the sole source exceptions as allowed under N.C.G.S 143-129 (e)(6).

**Suggested Motion:**

*I move the Henderson County Board of Commissioners to accept the sole proposal from ESRI and authorize Henderson County staff to contract for ESRI Small Municipal Enterprise Agreement (SEGA) in the amount of \$289,185.75 inclusive of tax over the 3 year contract period using the sole source exception as allowed under N.C.G.S 143-129 (e)(6).*

Dear Jack,

The Esri Small Municipal and County Government Enterprise Agreement (SGEA) is a three-year agreement that will grant your organization access to Esri term license software. The EA will be effective on the date executed and will require a firm, three-year commitment.

Based on Esri's work with several organizations similar to yours, we know there is significant potential to apply Geographic Information System (GIS) technology in many operational and technical areas within your organization. For this reason, we believe that your organization will greatly benefit from an Enterprise Agreement (EA).

An EA will provide your organization with numerous benefits including:

- A lower cost per unit for licensed software
- Substantially reduced administrative and procurement expenses
- Complete flexibility to deploy software products when and where needed

The following business terms and conditions will apply:

- All current departments, employees, and in-house contractors of the organization will be eligible to use the software and services included in the EA.
- If your organization wishes to acquire and/or maintain any Esri software during the term of the agreement that is not included in the EA, it may do so separately at the Esri pricing that is generally available for your organization for software and maintenance.
- The organization will establish a single point of contact for orders and deliveries and will be responsible for redistribution to eligible users.
- The organization will establish a Tier 1 support center to field calls from internal users of Esri software. The organization may designate individuals as specified in the EA who may directly contact Esri for Tier 2 technical support.
- The organization will provide an annual report of installed Esri software to Esri.
- Esri software and updates that the organization is licensed to use will be automatically available for downloading.
- The fee and benefits offered in this EA proposal are contingent upon your acceptance of Esri's Small Municipal and County Government EA terms and conditions.

- Licenses are valid for the term of the EA.

This program offer is valid for 90 days. To complete the agreement within this time frame, please contact me within the next seven days to work through any questions or concerns you may have.

To expedite your acceptance of this EA offer:

1. Sign and return the EA contract with a Purchase Order or issue a Purchase Order that references this EA Quotation and includes the following statement on the face of the Purchase Order:

***"THIS PURCHASE ORDER IS GOVERNED BY THE TERMS AND CONDITIONS OF THE ESRI SMALL MUNICIPAL AND COUNTY GOVERNMENT EA, AND ADDITIONAL TERMS AND CONDITIONS IN THIS PURCHASE ORDER WILL NOT APPLY."***

Have it signed by an authorized representative of the organization.

2. On the first page of the EA, identify the central point of contact/agreement administrator. The agreement administrator is the party that will be the contact for management of the software, administration issues, and general operations. Information should include name, title (if applicable), address, phone number, and e-mail address.
