

REQUEST FOR BOARD ACTION

HENDERSON COUNTY BOARD OF COMMISSIONERS

MEETING DATE: October 15, 2025

SUBJECT: Hurricane Helene After Action Report (AAR)

PRESENTER: Jimmy Brissie, Public Safety Director

ATTACHMENTS: None

SUMMARY OF REQUEST:

In November 2024, Henderson County Staff engaged our recovery consultant, iParametrics, to assist with the facilitation of a comprehensive After Action Report (AAR) for the initial response and recovery to Hurricane Helene. During December 2024 and January 2025 iParametrics staff conducted online surveys and two days of in-person work sessions to gather feedback on the county's strengths as well as areas of improvement for the next large-scale event.

For the past few months staff have been working with iParametrics to incorporate this feedback into a full report which summarizes the findings and presents areas of improvement. Staff will provide an overview of the key findings of the report for the Board and discuss the next steps anticipated.
