NOTICE OF E911 ADDRESS

09/29/2025

We are contacting you regarding your E911 Property address:

You have been identified as a property owner adjacent to an unnamed right-of-way off Mt Olivet Rd. Per the Property Address Ordinance for the County of Henderson, North Carolina, “a street name shall be assigned to any street that provides primary access to three or more addressable structures, regardless of the length of such street.”

A property owner along your shared right-of-way has proposed building a new structure(s), which will exceed three or more addressable structures on a single right of way. Per the address ordinance, a road name will need to be assigned to the right of way and all structures will receive a new E911 address.

A map is attached showing the existing street numbers off the shared right-of-way. Your address will be accessed off the proposed New Morning Way. If your driveway access does not come off the identified right of way, then your address will not be affected.

It is anticipated that the public hearing will be held on **November 19, 2025 at 9:30 am** in the Board of Commissioners meeting room located in the Henderson County Historic Courthouse, 1 Historic Courthouse Square, Hendersonville, NC.

Feel free to reach out if you have any questions or concerns regarding your E911 Address change.

Sincerely,

Austin Parks
