

**HENDERSON COUNTY**  
**BOARD OF COMMISSIONERS**

**MEETING DATE:** January 5, 2026

**SUBJECT:** Reject Construction Contract Bids - Clear Creek Sewer Project

**PRESENTER:** Marcus A. Jones, PE  
County Engineer

**ATTACHMENTS:** None

**SUMMARY OF REQUEST:**

On October 15, 2025, the Board awarded the construction contract for the Clear Creek Sewer project, pending approval by the Division of Water Infrastructure. Since then, \$12.7 million in state directed grant funding was reallocated to an unrelated project. Due to the reallocation, the Board cannot proceed with execution of the construction contract as bid. Therefore, a rejection of all the bids opened on October 4, 2025 is required. The suggested motion below will officially reject the bids.

**BOARD ACTION REQUESTED:**

The Board is requested to reject all bids for the Clear Creek Sewer construction contract opened on October 4, 2025.

***Suggested Motion:***

*I move the Board reject all bids for the Clear Creek Sewer construction contract opened on October 4, 2025.*
