

REQUEST FOR BOARD ACTION

HENDERSON COUNTY BOARD OF COMMISSIONERS

MEETING DATE: August 3, 2026

SUBJECT: NCACC 2026-2027 Legislative Goals

PRESENTER: Board of Commissioners

ATTACHMENTS: No

SUMMARY OF REQUEST:

The NCACC is soliciting input and proposals from all counties and has invited counties to submit their legislative proposals to the Association. Every two years, in the months preceding the long session of the North Carolina General Assembly, the NCACC begins a grassroots process to develop the Association's legislative goals, which guide its advocacy efforts at the state and federal levels of government. The process is designed to maximize participation by counties, build consensus among counties, and achieve a unified message on county priorities.

The submission deadline for 2026-2027 proposals is August 14, 2026. Proposed goals received prior to the deadline will be referred to the appropriate steering committee for review and consideration.

The NCACC Legislative Goals Conference will be held in November, and the NCACC legislative agenda will be finalized by early December, in advance of the 2027 short session.

The Board is requested to discuss submission of the following goals, and any others as requested.

BOARD ACTION REQUESTED:

The Board is requested to discuss these and any other legislative goals it wishes to submit to the NCACC, and direct staff accordingly.
