# Grassroots Arts Program

The Grassroots Arts program is a partnership between local arts councils and the North Carolina Arts Council. All 100 counties in N.C. receive program funds.

# Grassroots Arts Program

In counties with populations of 50,000 or more, the local arts council will distribute 50 percent of the Grassroots funds to local arts organizations through a competitive grant process.

# Racial and Cultural Diversity

- Grassroots partners are required to spend a percentage of their grant on programing that reflects African America, Asian American, Latino, and Native American cultures.
- The minimum amount is included on the County Allotment chart annually
- Priority may be given to subgrant applicants that meet this requirement.

# Evaluation

**How Applications are Evaluated**

# Subgrant Panels

- Panel of community members review each grant
- Panelists base funding decisions on the quality of the grant application, not on their relationship with, or knowledge of the organization
- Panelists review overall completeness of the grant and score applications on specific criteria

## Criteria

- Artistic quality of the proposed project
- Community impact of project or program
- Ability to plan and implement project
- Stability and fiscal responsibility of the organization

# Priorities for Funding

- The **first priority** is to provide program or operating support to qualified arts organizations (where they exist), such as theaters, symphonies, galleries, art guilds, choral societies, dance companies, folk arts societies, writer's groups, and arts festivals. Subgrants of Grassroots funds may not be awarded to arts organizations that already receive operating support directly from the N.C. Arts Council.
- The **second priority** funds is to support arts learning and arts-in-education programs conducted by qualified artists. These can be artist residencies in schools, after-school programs, summer camps, or adult arts learning classes. Grassroots funds may not be used for activities associated with a school's internal arts programs such as in-school student performances, the purchase of supplies, or student art competitions and publications.
- The **third priority** is to support other community, civic, and municipal organizations that provide high-quality experiences for the greater community. These programs must be conducted by qualified artists.

# If you get funded...

- Your organization will enter into a contractual agreement with Henderson County Arts Council
- Submittal of No Overdue Tax Debts Form
- Your organization will complete a final report by June 30 with:
  - Audience numbers
  - Audience demographics
- Demonstrate use of N.C. Arts Council logo and credit line on promotional materials
- Grant payments may be distributed in installments
- Keep local arts council updated on the progress of your program. If something changes and you can't use all the funds, your local arts council must know by April. They will need to roll the funds into one of their programs.
- **NOTE: Late final reports=no funding next grant cycle.**
