How do I find my Lab Results?

Sign in. On your home screen click on the heartbeat icon in the upper right corner of your screen.

On the next screen, click Lab Results in the blue column on the left.

This will take you to the Lab Results screen where you will see a list of your tests. Select a test to view.

Can I send you a message?

You may send messages to us through your Patient Portal. Please select a contact person based on your need. Since replies may take up to 2 business days, do not use portal messaging for emergencies or urgent questions.

If you do not receive a reply within 2 business days, contact the appointment desk at 828-692-4223.

PATIENT PORTAL WEB ADDRESS

How do I login?

After you are registered for the Patient Portal, you will receive two emails: one with your user ID and a separate email with your password. If you click on the link provided in the email, you will go straight to the Patient Portal.

- Patients or parents of a child under 13 years old must visit the clinic to begin registration. You will be asked to provide proof of ID to register for the Patient Portal.
- You will be asked to provide an email address that will be linked with the portal.
- Staff will create a login and enter a user name that you have chosen.

How do I register?

Access to the Patient Portal is for all adult patients and parents of minor children through 12 years of age. Once your child reaches their 13th birthday, parent access stops. If you have more than one child, you may link your children together on one account for easier access.
