Henderson County Promotes Crystal Lyda to Building Services Director

HC-2018-8

Hendersonville, NC – February 16, 2018

Henderson County announces the promotion of Crystal Lyda to Building Services Director. She will have the primary responsibility for enforcing state and local building, electrical, plumbing, and mechanical codes and permitting.

“As an employer, it’s gratifying to be able to reward excellence in your organization and promote from within. Ms. Lyda has earned this promotion and I am very pleased that she has accepted this leadership position with Henderson County,” said County Manager Steve Wyatt.

Ms. Lyda came to work with the County full-time in November 2004 as a Permit Specialist. She has consistently been promoted over her 14-year career. Between August 2009 and May 2016, Ms. Lyda obtained certifications in the four required trades and became the Building Inspections Supervisor in June 2017. In November 2017, she was appointed as Interim Building Services Director leading to the most recent promotion upon the retirement of the former Building Services Director.
