FOR IMMEDIATE RELEASE

Henderson County Cancels State of Emergency

HC-2018-50

Hendersonville, NC – September 17, 2018

Henderson County Manager Steve Wyatt has canceled the State of Emergency for Henderson County effective at 12:00 p.m., Monday, September 17, 2018. Henderson County now moves into the next phase of hurricane recovery, which involves preparing to help our neighbors in eastern North Carolina if called upon, as recovery and clean-up begin.

There is a need for blood currently across the region, and the American Red Cross is holding a blood drive today in their local office at 211 1st Avenue East. For more information, contact the Red Cross directly at 828-595-4837.

We ask that those who want to help with recovery efforts contact the Red Cross on the best way to provide assistance. If and when the County receives information on how the public can assist, we will provide that information to our citizens.
