FOR IMMEDIATE RELEASE

Farm City Day

HC-2018-52

Hendersonville, NC – September 26, 2018

It is that time of year again...the time when the farm comes to the city! Henderson County's Farm City Day, started in 1955, is a free event scheduled for Saturday, October 6, 2018. Farm City Day is located at Jackson Park, Hendersonville, North Carolina, from 10:00 a.m. till 4:00 p.m.

Approximately 50 acres of Jackson Park becomes a petting zoo, urban, rural, and educational displays, antique and modern farm equipment, and crafters from many generations for this one special day. Farm City Day celebrates our rural traditions and introduces the urban population to agriculture our most important industry.

A special youth area will feature many hands-on activities including petting farm animals, old-timey demonstrations, and a fishing pond. Enjoy many children's games and stay for a wagon ride through the park.

Planned entertainment includes the 'Local Artist Showcase Stage' with three local bands performing throughout the day. Food and displays by local non-profit organizations cover two fields. There is no admission charged to enter. Farm City Day is brought to you by Henderson County Cooperative Extension and Henderson County Parks and Recreation.
