FOR IMMEDIATE RELEASE

Main Library Remains Open during Roof Work

HC-2019-12

Hendersonville, NC – April 29, 2019

The Henderson County Public Library's main location in Hendersonville will remain open while undergoing roof repair. Both the parking lot and Washington Street building entrances are accessible. Drivers should note that the 3rd Avenue entrance to the parking lot is temporarily closed. Access the parking lot from Washington Street (past the drive thru material return). Parking spaces are limited during the construction, but patrons are welcome to park in the library overflow parking lot located directly across 3rd Avenue at First Church of the Nazarene (the lot beside the State Employees Credit Union lot). Project completion is expected in early summer, intermittent noise inside the library from the roof work is a possibility until then.
