**FOR IMMEDIATE RELEASE**

## Cemetery Maintenance Training

**HC-2019-32**

**Hendersonville, NC – September 18, 2019**

The Henderson County Cemetery Advisory Committee will host cemetery maintenance training on October 26, 2019 at Ebenezer Baptist Church at 2557 Chimney Rock Road. We will begin hands-on training at 10:00 a.m. cleaning and straightening tombstones.

The main topics that the class will discuss:

- Landscaping care around stones and markers
- How to safely clean gravestones (marble, sandstone, granite and historic masonry)
- Properly raising and leveling gravestones

We hope you will attend this informative class taught by Warren Scott, Gravestone Conservator. Warren will teach the proper and careful methods of properly cleaning and preserving stones.

The Henderson County Cemetery Advisory Committee is also in the process of updating the Cemetery Book last updated in the early 1990s. If you have a current map and inventory of a church or family cemetery, please share it with us so we can document the cemetery.

Please contact Toby Linville at 828-694-6627 with any questions or to RSVP for the class.
