**FOR IMMEDIATE RELEASE**

## **Community Input Sought for Library Strategic Plan**

**HC-2020-2**

**Hendersonville, NC – January 8, 2020**

Henderson County Public Library System is seeking community input as it develops its next three-year strategic plan.

County residents are invited to complete a brief survey, now available online at [www.hendersoncountync.gov/library](http://www.hendersoncountync.gov/library). This survey is designed to provide both library users and non-users alike the opportunity to share their thoughts and vision for the future of the Library. Survey results will guide current services and help set priorities for the next three years.

Residents who are unable to complete the survey online may obtain a printed copy at any of the branch library locations throughout the county. The survey will be available until January 31.

Residents are also encouraged to attend one of six Community Listening Sessions that will be held at library locations throughout January and February. For a complete list of session locations and dates, visit the library website at [www.hendersoncountync.gov/library](http://www.hendersoncountync.gov/library) or contact the Main Library at 828-697-4725.
