FOR IMMEDIATE RELEASE

Henderson County Library Offers Help with Online Learning

HC-2020-28

Hendersonville, NC – August 27, 2020

Henderson County Public Library is pleased to announce the launch of Brainfuse – a digital resource featuring free online tutoring, career assistance, and veteran support tools.

The *HelpNow* module of this new resource offers K-12 students a suite of practice tests, writing assistance, and other study tools 24/7, as well as tutoring via live chat from 2 PM to 11 PM, seven days a week, in both English and Spanish. Live chat help is also available for adults via the *Adult Learning Center*, which offers live guidance on various subjects at basic, intermediate, and advanced levels, tips on using software like Microsoft Office, and even citizenship test preparation and guidance.

The *JobNow* component provides 24/7 access to free career tools designed to support every step of the job search process. *JobNow* also features live chat with online coaches who can assist in resume creation, cover letter preparation, live interview preparation, career coaching and more.

Military veterans and their families can access the *VetNow* component for both job and academic assistance as they transition to civilian life. *VetNow* offers help from live navigators from 2pm-10pm, Monday-Friday, to discuss eligible VA benefits and community resources, as well as the same extensive access to career assistance found in the *JobNow* component.

“Live online access to private tutors and career coaches is more important than ever as students and parents navigate the virtual school environment and job seekers update skills and adapt to the new workforce culture,” said Trina Rushing, Library Director. “We are hoping this suite becomes a favorite one-stop resource to meet community needs.”

Anyone with a Henderson County Library card or StudentAccess account can now access Brainfuse from any computer with an internet connection. Visit www.hendersoncountync.gov/library or call the Main Library at 828-697-4725 to get started.
