### Addendum #1 BRCC Patton Building Renovation and Addition Technology-Cabling

The mandatory pre-bid meeting was on July 7, 2021, the following was discussed:

1. Cable trays will be provided as shown on the construction documents in the renovation portion of the project inclusive of all hallways and telecom rooms. Cable trays will be provided in the telecom rooms **only** in the **new building**. The awarded cabling contractor will provide j hooks and any other required means of support for all other areas in the new building.
2. Switches will be provided and programmed by BRCC. Switches will be installed by the awarded cabling contractor.
3. Provide keystone type connectors at faceplates.
4. TV/Display boxes will be FSR Inc. PWB-250 boxes and PAV boxes will be FSR Inc. PWB-203, submittal attached.
5. Today's handouts: Scope of Work/Bid Narrative and Detail Worksheet will be posted on the Henderson County website under the RFP for your use.
6. Last day for questions will be July 9, 2021 @ 1:00 pm.
7. Include all items with the proposal as detailed in the RFP.
