FOR IMMEDIATE RELEASE

Henderson County 2045 Comprehensive Plan

HC-2021-31

Hendersonville, NC – September 20, 2021

The Henderson County Planning Department is excited to announce upcoming open house, public input meetings. As the County develops its new comprehensive plan, which projects to the year 2045, it is essential to garner input from the community members. Please drop in at any event convenient for you and your family, friends, coworkers, etc. You can choose whichever location is easiest for you! These meetings will all contain the same public input activities and can be joined at any point within the specified time range. Staff will be available to facilitate dialogue and answer questions, but the events are styled so you can go through the activities independently and at your own pace. Kids are welcome to attend. Let your voice be heard!
