### GENERAL:

Henderson County requests proposals to provide a turnkey project inclusive of all labor, materials, lifts, scaffolding, traffic control, supervision, disposal fees, permits, inspections to renovate and expand the Esthetics classroom/lab located at the Sink building, 130 Eagles Reach Drive, Flat Rock, NC 28731. Work will include but not be limited to demolition, framing, sheetrock, flooring, electrical, plumbing, HVAC, cabinet removal and installation, and painting. This may require some work to be done during evenings and weekends. Contractor is to meet or exceed all requirements and specifications outlined in the RFP and Pre-Bid. Work area to be left in a clean and good condition.

○ **Time of Completion: Work is proposed to start March 4<sup>th</sup>. Contractor must be complete by June 30<sup>th</sup>, 2024.**

- Contractor must submit a timeline for beginning and completion of the project.
- Install all materials in accordance with manufacturer's instructions and warranty requirements.
- Contractor is to obtain and pay for all required permits and inspections.
- Furnish the necessary supervision, labor, tools, equipment, and materials to complete the work outlined in the RFP and pre-bid meeting.
- Work schedule limitations to be coordinated with the Blue Ridge Community College Project Coordinator.
- Contractor will provide traffic flaggers for any road or lane closures needed for delivery of equipment or work to be done.
- Daily Cleanup of all affected work areas and paths of entry and material delivery or removal.
- Any damage to buildings, walkways, pads, patios and foliage will be the responsibility of the Contractor to repair or replace at their expense.
- Project includes disposal of all debris offsite at the Contractor's expense. The contractor will not be allowed to use College dumpsters. Construction dumpsters will be the responsibility of the Contractor and at the Contractor's expense.

### Job Specifics

#### To include, but not be limited to:

- Cased opening to allow access from #234 to #233 (to include any utility relocation).
- Conversion of Storage Room into Laundry Room for (2) combination washer/dryer : to include water, drains, dryer ductwork & vent through wall, and electric. Venting through the exterior wall will require drilling through the concrete and brick wall. Contractor to provide any needed lifts or scaffolding required.
- Several wall and door relocations to include any associated utility rerouting. To include any light relocation required.
- Rework dressing rooms in Esthetics waxing room to provide ADA accessibility (to include ADA bench).
- New Dispensary room in #235 with observation window
- Remove existing cabinets and install owner provided cabinets and countertops (to include all associated plumbing and electric). Some of the cabinets and countertops do include sinks.
- Rework electrical to provide separate light switching for each area.
- Provide new electrical outlets.
- Flooring: remove existing flooring & vinyl base. Install new owner designated LVT (Mannington Spacia First 12" x 24" color steel) with vinyl base (Roppe 700 Series 4.5" TP rubber base, color TBD).

- Construct new dressing room in #233 with ADA bench. Infill door. Paint associated hallway wall to match existing hallway paint.
- Repair all end conditions.
- Repaint all rooms in Esthetics.
- The Fire Marshal and County Building Inspector have both visited the space and approved the cased opening, construction of the Dispensary room, new ADA dressing room & associated infilling the door. They have verified that the shared wall between #233 and #234 is not fire rated nor load bearing. No additional life/safety modifications are needed.

### SITE CONDITIONS:

- The building will be occupied. Contractors and sub-contractors are limited to the work area.
- The College has testing which is required by the State. **This applies especially to the testing room located across the hall from #233.** There may be times that noise from machines, power tools or equipment may not be allowed. Coordination of these times will be discussed during construction meetings. A schedule of testing will be provided to the awarded Contractor.
- The Contractor may use existing electrical outlets. Any additional electrical needs will be the responsibility of the Contractor.
- Equipment, materials, and temporary storage pods for supplies may be parked at a designated area of the parking lot discussed during the Pre-Bid. BRCC will not be responsible for the security of this equipment or stored items.
- If the Contractor requires a dumpster, this will be the responsibility of the Contractor. The contractor will not be allowed to use College dumpsters. Space for a contractor provided dumpster will be provided at a designated area of the parking lot discussed during the Pre-Bid.
- Smoking is not permitted on the job site or campus. The Contractor and sub-contractors are allowed to smoke inside their vehicles.
- It will be the Contractor's responsibility to protect sidewalks needed for lift access from damage. Any damage to walkways, pads, patios and foliage will be the responsibility of the Contractor to repair or replace at his expense.
- All road closures for material or equipment delivery must be scheduled with the BRCC Project Coordinator in advance. The Contractor must provide flaggers at any time roads or lanes are closed.
- Communication with students is not permitted. Shirts are always required.
- Weapons are prohibited on school property. It is the policy of Blue Ridge community College that the campus shall be free of unauthorized weapons. No Contractor, subcontractor or employee, while on campus, shall carry or encourage another person to carry, whether openly or concealed an unauthorized weapon as defined by G.S 14-284.1.
