RFQ: Special Inspections and Construction Materials Testing Services HCPS West Henderson High Secure Entries Project

Henderson County is accepting Statement of Qualifications for Special Inspections and Construction Materials Testing Services to provide complete special inspections and construction materials testing services during construction for the new West Henderson High Secure Entries Project in Hendersonville, NC. Plans and specifications may be obtained upon request of Renee Walker (renewalker@ls3p.com). A Newforma Info Exchange link will be provided, to allow access and download the documents. Construction is scheduled to begin around March 2024. The project is inclusive of demolition of existing building, as well as new construction.

The Statement of Qualifications should include the following, of which will be equally weighted, and will be used to evaluate prospective firms in the selection process:

1. A brief description of the firm and its program of services with emphasis on the firm's history and resource capability to perform the required services.
2. The project team and the individual qualifications of the members of the team.
3. A list of recent related project experience. The project experience of the project team and/or related experience within Henderson County is particularly important. In addition, each project listed needs to have past client contact information.
4. Outline the proposed services for soils, foundations, concrete, and steel testing, and any other services necessary and/or required to complete the work.
5. Any other information that might be relevant to the selection process.
6. Additional references.
