**FOR IMMEDIATE RELEASE**

## Free Compost Demo Workshop Scheduled for Tuesday, May 14

HC-2024-11

Hendersonville, NC – May 6, 2024

Residents interested in learning more about reducing their food waste and learning how to compost are encouraged to attend the free Compost Demo Workshop. The City of Hendersonville Sustainability and Henderson County Environmental Programs are partnering to offer this workshop. Participants will get tips on how to reduce food waste at home, learn the basics of composting, discover different methods available to fit a variety of needs and learn what programs are available to get started. Composting is a great way to help reduce the amount of food waste that ends up in landfills and it creates a nutrient-rich soil amendment that can be used in your gardens and flower beds. This event will take place on Tuesday, May 14th from 5:30-7 pm at the City Operations Assembly Room located at 305 Williams St. Hendersonville, NC 28792.

For more information about Henderson County Environmental programs visit [HCREcycles.org](http://HCREcycles.org) or call 828-694-6524. For more information about the City of Hendersonville Sustainability visit [hendersonvillenc.gov/sustainability](http://hendersonvillenc.gov/sustainability) or call 828-341-7074.
