Bob Johnson in the fall of 2008 outside our office at Bagram Airfield just before a convoy back to Forward Operating Base (FOB) *Lion* in Panjshir Province, a 90-minute drive. Our team was joint service with the Air Force, hence the different uniform. We didn't come to Bagram very often and usually only stayed a day or so. Still, we could get haircuts and have a little better chow. In May 2009, my replacement was killed in Kapisa Province on the Panjshir to Bagram convoy by a suicide bomber. Also killed was the vehicle driver, unit commander, and an Aghan lawyer I hired.
