Subject: Addendum #1

Date: July 22, 2026

Henderson County Public Schools Boiler Replacement Project

Addendum #1:

North Carolina Session Law 2026-41 repealed N.C. General Statutes §§ 63A-19, 116D-4, 143-48.4, 143-128.2, 143-128.3, 143-128.4, and 143-131(b), effective July 7, 2026. These repeals eliminate all statutory HUB participation goals and remove the requirements for bidders to list minority businesses or to make and verify good-faith efforts toward minority business outreach.

As a result, all HUB and MWBE affidavits referenced in the RFP or posted on the Henderson County website are no longer applicable and shall be considered null and void.
