FOR IMMEDIATE RELEASE

Henderson County Public Library Seeks Input From Residents

HC-2016-21

Hendersonville, NC - July 2, 2016

County residents are invited to help shape the future of the Henderson County Public Library System by completing our brief survey, now available online at www.henderson.lib.nc.us. This survey is designed to provide both library users and non-users alike the opportunity to share ideas and opinions on topics such as programming, locations, and services. Survey results will assist the library system in shaping our current services and making better plans for the future.

Residents who are unable to complete the survey online may obtain a printed copy at any of the branch library locations throughout the county. The survey will be available until July 31st. For more information, visit the library website at www.henderson.lib.nc.us or contact Sara McGough at 828-697-4725.
