FOR IMMEDIATE RELEASE

Henderson County Public Library Conducting Technology Survey

HC-2016-3
Hendersonville, NC - January 11, 2016

The Henderson County Public Library wants to hear from you! From **January 4th, 2016** to **January 22nd, 2016** the library will be conducting an online survey to find out how our patrons use the library's computers and Internet connection and how this service has made a positive impact on their lives. This information will help the library improve its technology services and communicate the value of providing free access to computers and the Internet within the community. The Impact Survey is anonymous, available in English and Spanish, and takes 10-15 minutes to complete. The survey is confidential and does not collect any personally identifiable information.

Please support the library and help us improve our services. If you have ever used the computers or Internet service at any of our 6 county libraries please go to the library website www.henderson.lib.nc.us to fill out the survey or access it from one of the library's public access computers.
