Christopher Todd called the meeting to order and welcomed all in attendance.

APPROVAL OF MINUTES

Upon reviewing the minutes from April 21, 2014, Terry Ruscin noted spelling areas which were corrected. Donald Wilson discussed that during the last meeting the HRC decided to no longer peruse the honorific landmark program. Mr. Wilson made a motion to adopt the minutes with changes as discussed; the motion was seconded by Mr. Ruscin and passed unanimously.

DISCUSSION ITEMS

The remainder of the meeting was spent discussing the Historic Preservation Landmark Ordinance presentation to be presented to the Henderson County Planning Board. Through discussion an outline was created for the presentation, with the goals of showing the purpose, benefits, and impacts of the implementation of the ordinance. Through general consensus it was requested that staff email the outline presentation to all members, allowing them time to work on text and pictures to be included. The HRC members also requested that staff provide a copy of the North Carolina State Historic Preservation Study List, and a digital copy of the presentation presented by staff during the previous HRC meeting in September.
