CALL TO ORDER/WELCOME

Parker Sloan called the meeting to order and welcomed all in attendance.

DISCUSSION ITEMS

Dries Jansman gave an update on Mr. Youngblood as a member a possible member to the Committee and decided that he probably wasn't an option for future membership.

Terry Ruscin gave an update on Louis Bailey as a possible member to the Committee and it was determined that her knowledge of the area would be a valuable asset.

The committee reviewed the latest version of the draft Henderson County Historic Landmark Design Guidelines. Planning Staff would update and edit the current version to include Stephen Fosberg changes and recommendations. The committee then discussed the option of a Design Review Committee, how one might function, and the selection criteria that would be needed to create said committee. It was suggested that a Henderson County Design Review Committee be modeled after the City of Hendersonville's version.

Staff and the HRC members discussed the goals and needs of the committee and future meeting dates. The HRC members decided that the next meeting should be changed and held at 3:00pm on October 20, 2010.

IMPORTANT DATES

The next meeting will be held on October 20, 2010 at 3:00 pm in the King Street Meeting Room.
