

# STORYTIME

## Etiquette

Thank you for  
coming to storytime  
at your public library!

We need **YOUR HELP**  
to provide enjoyable  
programs.

*Please review the  
guidelines listed below.*

- 1) Arrive on time.
- 2) Turn cell phones off or put them on vibrate.
- 3) Attend the program that's age appropriate for your child.
- 4) Model good audience behavior for your child by being attentive and participating in storytime activities.  
Visit and talk with friends after the program.
- 5) It's ok to take your child out of a program if he/she is becoming restless or disruptive. In fact, we prefer that you do. You can always come back to the program when your child settles down or try again the following week.

*Thank you for your cooperation with following these storytime etiquette tips.*
