

Ecusta Trail Event Signage Expectations

Public Notice Signage - Event trail signage needs to be posted 7 days before the Ecusta Trail event.

Event organizers can provide their own public notice signage, but sign information should include:

1. Name of the Event/ Organizer
2. Date of the Event
3. Time of the Event

Attached to this Link is a [Fillable PDF](#) sized to a 24 in x 18 in. Please feel free to use this template. We recommend printing on both sides of the corrugated sign for better visual representation.

Locations/intersections that must have public notice signage:

S Church and Main (Big Bend) - 2 Signs

Kanuga Rd Intersection - 2 Signs

S Whitted (Trailside) - 2 Signs

Daniel Drive - 2 Signs

Hunters Glen Ln - 2 signs

Make sure signage is visible in both directions. *****

All litter, signage, and supplies must be removed by the end of the event day. This includes route arrow stickers along the trail.

Note that as the trail expands into Brevard, more signage locations will be added.
