

How To: Citizen Portal Registration and Login

If you want to submit a permit application, pay fees online, or schedule an inspection you will need to create an account and login. Instruction to register for an account are provided below. **You do not need to create an account or login to view permits or public information in the portal. Just use the search function on the portal.**

How to Register for the Citizen Portal

- **Go to the Citizen Portal for Henderson County.** We suggest you bookmark this page or create a shortcut on your desktop to make it easy to come back to later.
- In the top right corner of the page, click **Sign Up**. This will open the three-step account registration page.

Account

- Enter your **Email Address**. (This email address must be valid.) Once registration is completed, a verification email will be sent to the address provided.
- Enter a **Password** of at least 8 characters and then enter the same password in the **Confirm Password** field.
- Enter an **Access Code**, if applicable, to associate the new portal account with any permits you have already applied for. (If you do not have an access code, skip this step or contact Henderson County Permitting and Inspections for more information.)
- Click **Next**.
