NOTICE

Renovation & Demolition Requirements For North Carolina

The issuance of this permit does not in any way grant permission to the owner, owner's representative, or permit holder to proceed without complying with the requirements of the North Carolina programs for asbestos and lead-based paint.

The North Carolina laws administered by the NC DHHS, Health Hazards Control Unit (HHCU), may require training, licensing, or permitting with the HHCU in addition to your local city/county issued permit.

Failure to comply with applicable requirements of the laws may result in environmental contamination, personal exposure, additional project cost and potential penalty assessments.

For copies of the asbestos and lead-based paint laws or for more information regarding asbestos or lead-based paint visit the following website:

<https://epi.dph.ncdhhs.gov/asbestos/demolition.html>

You can also call the HHCU at (919) 707-5950.
