

2 communities

*Gerton, NC
Bat Cave, NC*

2 watersheds

*Broad River
Mud Creek*

The study area has:

844

Total population

1,947

Total parcels

12,927

Total acres of land

14.9

Miles of hiking trails

(Conserving Carolina)

27.3

Miles of streams

76.1

Miles of road

2,396

Acres of land in
conservation easement

Impacts from Helene:

1,086

Total Building Structures

(structures assessed post-storm included homes, commercial buildings, auxiliary sheds, etc)

281 Structures Damaged
from Storm

112 Structures Destroyed
from Storm

(the information above is from the
damaged structures assessment
completed by henderson county)

171

Number of recorded
landslide events

(the information above is from the post
helene landslide inventory, North Carolina
Geological Survey section of the Department of
Environmental Quality (NCDEQ))
